- Saying the Vedas were written down first. They were passed on **orally** by chanting and memorising.
- Mixing up **atman** (the individual Self) and **brahman** (the universal reality).
- Confusing the Buddha and Mahavira: the Buddha was born at Lumbini and enlightened at Bodh Gaya; Mahavira was a Jain teacher born near Vaishali.
- Writing the three jewels or the Sangha wrongly: the **Sangha** is the community of Buddhist monks, not a group of kings.

Evaluator's note: Award step marks as shown; accept any correct alternative method. In internal-choice questions, evaluate only the option attempted. Deduct up to ½ mark for missing units or figures where required.
