(a) no migration **(b)** empty land
(c) rapid migration and limited housing **(d)** too much housing

9. **Assertion (A):** A Nagar Panchayat is set up for the biggest metropolitan cities. 1
Reason (R): A Nagar Panchayat serves a transitional area between rural and urban.
Choose the correct option:
(a) Both A and R are true and R is the correct explanation of A.
(b) Both A and R are true but R is not the correct explanation of A.
(c) A is true but R is false.
(d) A is false but R is true.

10. **Assertion (A):** Cities are divided into wards for local administration. 1
Reason (R): Residents of a ward elect a representative to the urban local body.
Choose the correct option:
(a) Both A and R are true and R is the correct explanation of A.
(b) Both A and R are true but R is not the correct explanation of A.
(c) A is true but R is false.
(d) A is false but R is true.

SECTION — B (Very Short Answer Type) 4 × 2 = 8

Answer in about 20–30 words each.

11. How can youth help in city governance? 2

12. What is the role of civil society? 2

13. Why do cities need green spaces? 2

14. Why is housing a challenge in cities? 2

SECTION — C (Short Answer Type) 4 × 3 = 12

Answer in about 40–60 words each.

15. Examine the challenges of managing waste in a metropolitan city. 3

16. Discuss the role of the municipal budget in city development. 3

17. Evaluate the relationship between civic sense and city cleanliness. 3

OR

Discuss how technology can improve municipal services. 3

18. Examine the effect of rapid urbanisation on civic services. 3

OR

Discuss why urban and rural governance should learn from each other. 3

SECTION — D (Long Answer Type) 2 × 5 = 10

Answer in about 100–150 words each.

19. **Case study.** A small town in Kerala has about 40,000 residents. Its Municipal Council collects property tax and fees, and uses the money to repair roads and supply drinking water. Residents are asked to separate wet and dry waste at home so that collection becomes easier. 5
(i) Which body governs a town of 40,000 people?
(ii) Give another name for this body.
(iii) Name one source of its income.
(iv) Why does waste segregation by citizens help the local body?

20. Analyse the challenges of waste, water and traffic in metropolitan cities and suggest solutions. 5

OR

Discuss the historical development of urban governance in India. 5
