Mistakes to avoid:

- Thinking that **all** work is economic; work done out of love and care without payment is **non-economic**.
- Mixing up the three payments: **salary** is regular and monthly, **wage** is for a period of work (often daily), **fee** is for professional services.
- Calling a doctor's or lawyer's charge a wage; it is a **fee**.
- Writing that payment in kind is money paid later; it is payment in **goods** rather than money.
- Saying that unpaid household work has no value; it has real value though it earns **no money**.
- Defining a market as only a building; it is any place where **goods and services are exchanged** between buyers and sellers.

Evaluator's note: Award step marks as shown; accept any correct alternative method. In internal-choice questions, evaluate only the option attempted. Deduct up to ½ mark for missing units or figures where required.
