(c) A is true but R is false.
(d) A is false but R is true.

44. **Assertion (A):** Farming and mining belong to the primary sector. 1
Reason (R): Primary activities depend directly on natural resources.
Choose the correct option:
(a) Both A and R are true and R is the correct explanation of A.
(b) Both A and R are true but R is not the correct explanation of A.
(c) A is true but R is false.
(d) A is false but R is true.

45. **Assertion (A):** All the lines of longitude (meridians) are equal in length. 1
Reason (R): All the lines of latitude (parallels) are equal in length.
Choose the correct option:
(a) Both A and R are true and R is the correct explanation of A.
(b) Both A and R are true but R is not the correct explanation of A.
(c) A is true but R is false.
(d) A is false but R is true.

46. **Assertion (A):** The Pacific Ocean is the largest ocean in the world. 1
Reason (R): There are only three oceans on the Earth.
Choose the correct option:
(a) Both A and R are true and R is the correct explanation of A.
(b) Both A and R are true but R is not the correct explanation of A.
(c) A is true but R is false.
(d) A is false but R is true.

47. **Assertion (A):** The Aravalli Range is an old mountain range with rounded tops. 1
Reason (R): The Aravalli Range is higher than the Himalayas.
Choose the correct option:
(a) Both A and R are true and R is the correct explanation of A.
(b) Both A and R are true but R is not the correct explanation of A.
(c) A is true but R is false.
(d) A is false but R is true.

48. **Assertion (A):** The 21st century CE began in the year 2001 and ends in 2100. 1
Reason (R): A century is a period of 1,000 years.
Choose the correct option:
(a) Both A and R are true and R is the correct explanation of A.
(b) Both A and R are true but R is not the correct explanation of A.
(c) A is true but R is false.
(d) A is false but R is true.

49. **Assertion (A):** Ashoka used the name Jambudvipa in his inscriptions. 1
Reason (R): Jambudvipa means the land of seven rivers.
Choose the correct option:
(a) Both A and R are true and R is the correct explanation of A.
(b) Both A and R are true but R is not the correct explanation of A.
(c) A is true but R is false.
(d) A is false but R is true.

50. **Assertion (A):** Harappan houses were built with baked bricks. 1
Reason (R): Harappan houses were built only of stone and wood.
Choose the correct option:
(a) Both A and R are true and R is the correct explanation of A.
(b) Both A and R are true but R is not the correct explanation of A.
(c) A is true but R is false.
(d) A is false but R is true.
