- Mixing figures: 543 Lok Sabha constituencies, 84 SC and 47 ST reserved seats, 245 Rajya Sabha members, one-third retiring every two years.
- Writing that nominated members vote in the Presidential election; only elected members of Parliament and State Assemblies vote.
- Confusing the date of the Election Commission (1950) with the first general elections (1951-52), and the Chief Election Commissioner T. N. Seshan with voter ID reforms in general.
- Calling NOTA an option that cancels the election; it only lets a voter record rejection of all candidates.
- Forgetting that panchayat elections are run by the State Election Commission, not the Election Commission of India.

Evaluator's note: Award step marks as shown; accept any correct alternative method. In internal-choice questions, evaluate only the option attempted. Deduct up to ½ mark for missing units or figures where required.
