3	3	Write one use of each of the following trees. **(i)** Neem [1] Its leaves and twigs are used as medicine / its twig is used as a datun to clean teeth; it gives shade. **(ii)** Khejri [1] Its pods (sangri) are eaten as a vegetable; its leaves (loong) are fodder for goats and camels; it gives shade in the desert. **(iii)** Mango [1] It gives tasty fruit (raw mango is used for pickle and chutney); its wood is used for furniture.
4	6	Look at the schematic map of Rajasthan. The dots A, B, C, D show four districts. **(i)** Name the district shown by A (the City of Lakes) and by B (t… [2] A – Udaipur B – Jaisalmer **(ii)** In which direction from Jaipur is the dot C? In which direct… [2] C is to the **South** of Jaipur; D is to the **North-East** of Jaipur. **(iii)** Name the district C, which is on the bank of the river Chamb… [1] Kota **(iv)** Name the district D, in which the Sariska Tiger Reserve is s… [1] Alwar

PLANTS, ANIMALS AND OUR RESPONSIBILITY — Marks 12

Q.	Marks	Answer / marking points
5	1	Which bird is the State bird of Rajasthan? **(b) Godawan (Great Indian Bustard)**
6	3	The camel is called the ‘ship of the desert’. Answer the following. **(i)** Why can a camel walk easily on hot, soft sand? [1] Its feet are broad and padded, so it does not sink in the sand. **(ii)** Which part of its body stores fat so that it can live for ma… [1] The hump. **(iii)** Why does a camel have long eyelashes? [1] They protect its eyes from sand and dust during sandstorms.
7	8	**(i)** Your school is celebrating ‘Save Water Week’ . Write four sl… [4] Any four, e.g.: (1) Save water, save life. (2) Close the tap when you brush your teeth. (3) Report a leaking tap at once. (4) Reuse the water after washing vegetables for plants. (5) Do not waste even a drop. [1 mark each] **(ii)** Read the situation. In the school playground a tap is leakin… [4] (a) [2] Water is precious and limited; wasting it means less water for drinking and for the people and animals who need it, especially in dry Rajasthan. (b) [2] She should tell the teacher or the watchman immediately so that the tap is repaired, and tell her friends not to waste water.

FOOD, WATER AND HOUSES — Marks 14

Q.	Marks	Answer / marking points
8	1	Which of these crops is a rabi crop? **(b) Wheat**
9	1	Rajasthan is the largest producer in India of which of these crops? **(b) Bajra**

10	3	Kharif and rabi are two cropping seasons of farmers. **(i)** When are kharif crops sown (at the start of which season)? [1] In the rainy season (June–July), with the first monsoon rains. **(ii)** When are rabi crops sown? [1] In the winter season (October–November). **(iii)** Name one kharif and one rabi crop. [1] Kharif: bajra / maize / moong / rice. Rabi: wheat / mustard / gram (barley).
11	3	Your class visits a farm in a village near Jaipur and meets a farmer who grows bajra. Writ… Any two sensible questions, e.g. (i) [2] How much water does bajra need and how do you irrigate your field? (ii) [1] In which month do you sow and harvest the crop? (Award 2 marks to the more thoughtful question and 1 to the other.)
12	3	A group of Langa and Manganiyar folk singers is visiting your school. Write two questions … Any two sensible questions, e.g. (i) [2] Which instruments do you play and how did you learn this music from your elders? (ii) [1] On which occasions do you sing these songs?
13	3	Give reasons. **(i)** Why were tankas, johads and baoris built in Rajasthan? [1] Rajasthan gets little rain, so rainwater was collected and stored in them to be used in the dry months. **(ii)** Why should we drink boiled or filtered water? [1] It kills / removes the germs that cause diseases such as typhoid and diarrhoea. **(iii)** Why should we not waste water? [1] Fresh water is limited; if we waste it, there will be less for the future and for others.
