READING COMPREHENSION — Marks 30

15. Read the passage carefully and answer the questions that follow. [5]

Aman and the Moon

Aman lives in Jaisalmer, where the night sky is wide and clear. On his tenth birthday, his uncle gave him a small telescope. That evening, Aman climbed to the roof with his sister Neha and pointed it at the Moon. He was amazed to see round holes on its surface. “Those are craters,” said his uncle. “Rocks from space hit the Moon long ago and made them.” Neha asked why the Moon shines. Her uncle explained that the Moon has no light of its own; it only reflects the light of the Sun. He also told them that India’s Chandrayaan-3 landed near the Moon’s south pole in 2023. Aman felt proud and decided to become a scientist. Since then, he looks at the sky every clear night and notes down what he sees in a small diary.

(i) Who gave Aman a telescope, and on which occasion? 2

Ans. His uncle gave it to him on his tenth birthday.

(ii) What did Aman see on the surface of the Moon through the telescope? 2

(iii) Write the plural form of **diary**. 1

Ans. diaries

18. Read the passage carefully and answer the questions that follow. [5]

Lakshmi and the Green Purse

Lakshmi, a girl of Class V, was walking home from school in Bikaner when she saw a small green purse lying near the bus stop. She picked it up and opened it. It had a few notes, a bus pass and a photograph. Many children would have kept the money, but Lakshmi did not. She read the name on the bus pass: Mr Gopal Verma. She asked a shopkeeper nearby if he knew him. "He works at the post office," said the shopkeeper. Lakshmi went there at once and handed the purse to Mr Verma. He was very happy because he had been searching for it for an hour. He offered her some money as a reward, but she politely refused. "My mother says honesty is its own reward," she said. The next day, Mr Verma came to her school and told the whole assembly about her. The principal gave Lakshmi a certificate and everyone clapped loudly.

(i) Where did Lakshmi find the purse? 2

Ans. She found it lying near the bus stop.
