- Fundamental Rights: Articles 14-18 equality, 19-22 freedom, Article 21 life and liberty, Article 32 remedy in the Supreme Court. Article 46 is a Directive Principle, not a Fundamental Right.
- Holding elections is not enough: a country with elections but concentrated power, weak opposition and no free media is not truly democratic.
- The Constitution can be amended under Article 368; the Emergency (1975, 21 months) tested democratic safeguards.
- Do not call the judiciary a lawmaker: it interprets laws and exercises judicial review; PIL is Public Interest Litigation and rights come with responsibilities.

Evaluator's note: Award step marks as shown; accept any correct alternative method. In internal-choice questions, evaluate only the option attempted. Deduct up to ½ mark for missing units or figures where required.
