Mistakes to avoid:

- FPTP gives victory to the candidate with the **most** votes (a plurality), not necessarily more than 50 per cent; do not call it a majority.
- Lok Sabha: direct election by FPTP. Rajya Sabha: PR by single transferable vote. President: indirect election. Do not interchange them.
- Delimitation means fixing constituency boundaries and seats; it is not the same as drawing up electoral rolls or counting votes.
- The Election Commission is a constitutional body (Articles 324-329) established on 25 January 1950; the Model Code of Conduct is a set of guidelines for parties and candidates.
- The Anti-Defection Law applies to elected members who voluntarily give up party membership, not to voters.
- Proportional representation gives seats in proportion to votes; do not confuse it with PR-STV used for Rajya Sabha, and know EVM, VVPAT, cVIGIL, Saksham and ERONET by purpose.

Evaluator's note: Award step marks as shown; accept any correct alternative method. In internal-choice questions, evaluate only the option attempted. Deduct up to ½ mark for missing units or figures where required.
