1. All questions are compulsory.
2. Q. 1–10 are Objective Type (1 mark each).
3. Q. 11–14 are Very Short Answer Type (2 marks each).
4. Q. 15–18 are Short Answer Type (3 marks each).
5. Q. 19–20 are Long Answer Type (5 marks each).
6. Internal choice is given in Q. 17 to 20.
7. Write the question number before each answer.
8. Hard level: application and higher-order questions.

SECTION — A (Objective Type Questions) 10 × 1 = 10

Choose the correct option and write it in your answer book.

1. Which statement is true of the ECI? 1

(a) Temporary **(b)** Autonomous and permanent
(c) Appointed by parties **(d)** Part of cabinet

2. Assertion (A): ETPBS is used by service voters. Reason (R): They are posted outside their constituencies. 1

(a) Both A and R are true and R is the correct explanation of A.
(b) Both A and R are true but R is not the correct explanation of A.
(c) A is true but R is false.
(d) A is false but R is true.

3. Assertion (A): Parties must hold internal elections. Reason (R): ECI insists on inner-party democracy. 1

(a) Both A and R are true and R is the correct explanation of A.
(b) Both A and R are true but R is not the correct explanation of A.
(c) A is true but R is false.
(d) A is false but R is true.

4. Which is a likely effect of FPTP in a multi-party contest? 1

(a) Proportional **(b)** Equal seats
(c) No winner **(d)** Winner with plurality

5. Assertion (A): Proportional representation matches seats to votes. Reason (R): Seats are distributed according to share of votes. 1

(a) Both A and R are true and R is the correct explanation of A.
(b) Both A and R are true but R is not the correct explanation of A.
(c) A is true but R is false.
(d) A is false but R is true.

6. A coalition government may be formed under FPTP when 1

(a) no election **(b)** one party wins all
(c) no party gets majority of seats **(d)** President rules

7. If the number of seats and boundaries are not updated for decades, then 1

(a) some votes weigh more **(b)** all votes equal
(c) no change **(d)** elections cancelled

8. Which best describes the Model Code's purpose? 1

(a) Appoint judges **(b)** Ensure level playing field
(c) Choose symbols **(d)** Increase tax

9. **Assertion (A):** The First-Past-The-Post system can elect a candidate with less than 50 per cent of the votes. 1

Reason (R): The candidate with the most votes wins even if the remaining votes are split among many candidates.

Choose the correct option:

(a) Both A and R are true and R is the correct explanation of A.

(b) Both A and R are true but R is not the correct explanation of A.

(c) A is true but R is false.

(d) A is false but R is true.

10. **Assertion (A):** Members of the Rajya Sabha are elected by proportional representation by the single transferable vote. 1

Reason (R): Members of the Lok Sabha are elected by the First-Past-The-Post system.

Choose the correct option:

(a) Both A and R are true and R is the correct explanation of A.

(b) Both A and R are true but R is not the correct explanation of A.

(c) A is true but R is false.

(d) A is false but R is true.

SECTION — B (Very Short Answer Type) — 4 × 2 = 8

Answer in about 20–30 words each.

11. Why is the Speaker's role crucial under anti-defection law? 2

12. Why are reserved constituencies needed? 2

13. Why is voter education important? 2

14. Why is the Model Code applied from the date of announcement? 2

SECTION — C (Short Answer Type) — 4 × 3 = 12

Answer in about 40–60 words each.

15. Assess the claim that FPTP encourages two-party competition. 3

16. Why are electoral rolls vital for fairness? 3

17. Explain how inclusive voting reflects democratic values. 3

OR

Analyse the role of media in elections. 3

18. Explain why voter turnout varies across constituencies. 3

OR

Explain the link between delimitation and democratic equality. 3

SECTION — D (Long Answer Type) — 2 × 5 = 10

Answer in about 100–150 words each.

19. **Case study.** In a Lok Sabha constituency, candidate X gets 45 per cent of the votes, Y gets 40 per cent and Z gets 15 per cent. Under the system used for Lok Sabha elections, X is declared elected. 5

(i) Name the system used for Lok Sabha elections.

(ii) Who wins under this system?

(iii) Did X win a majority of the votes?

(iv) If a two-round system were used, what would happen next, and why can FPTP lead to a winner with less than 50 per cent votes?

20. Examine how voting from home and Braille EVMs reflect democratic values. 5

OR

Evaluate the impact of coalition governments on policy-making. 5
