SECTION — B (Very Short Answer) — Answers — 4 × 2 = 8

Q.	Expected Answer / Value Points	Marks
11	Griffin was a scientist (1) who discovered a way to make his body invisible (1).	1+1
12	They saw marks appearing in the snow (1) and followed them until they faded away (1).	1+1
13	He removed his clothes (1) and so vanished from sight (1).	1+1
14	Griffin himself (1) and he found that invisibility brought him trouble (1).	1+1

SECTION — C (Short Answer) — Answers — 4 × 3 = 12

Q.	Expected Answer / Value Points	Marks
15	Griffin discovered a method to make a body invisible and tested it on himself. At first it seemed a great power. Soon it brought cold, hunger and loneliness, and made him a hunted man.	1+1+1
16	Griffin is clever, bold and bitter. His intelligence made the discovery but his selfishness led to its misuse. He is both admirable and pitiable.	1+1+1
17	Griffin was a scientist who discovered a secret. Both verbs are in the simple past.	1+1+1
	OR: Griffin could not be seen, but his feet left marks on the ground. The prints revealed his presence and alarmed onlookers. They give the story its title and suggest that no secret is completely hidden.	1+1+1
18	Unexplained footprints and the hint of an unseen figure arouse curiosity. The chase by villagers builds tension. The final disappearance leaves the reader uneasy.	1+1+1
	OR: The invisible man left a footprint in the snow. The scientist was proud of his discovery. Any correct sentences.	1+1+1

SECTION — D (Long Answer) — Answers — 2 × 5 = 10

Q.	Expected Answer / Value Points	Marks
19	A brilliant scientist who discovers invisibility (1). He tests the secret on himself (1). He misuses the power for theft and mischief (1). He is bitter, lonely and desperate (1). He is both a genius and a warning (1).	2+2+1
	OR: Date (1). The chase (1). Removing the clothes (1). Feelings of power and fear (1). Reflection (1).	2+2+1
20	Griffin discovers how to become invisible (1). He uses it for theft (1). His footprints reveal him (1). People pursue him (1). He escapes by removing his clothes (1).	2+2+1
	OR: Headline (1). Place and time (1). Account of the boys' discovery (1). Villagers' reaction (1). Police inquiry (1).	2+2+1

Mistakes to avoid:

- Calling Griffin a thief by profession; he is a brilliant **scientist** who discovered how to make the human body transparent.
- Saying invisibility is magic; the story explains it as a **scientific experiment** that makes the body transparent as glass.
- Forgetting Griffin's lawless nature: after being threatened with eviction by his landlord he set fire to the house, and he then had to remove his clothes to stay unseen.
- Writing that Griffin used his gift to help others; he used it for **stealing and escaping** and found it hard to live with.
- Confusing the source: the original story, *The Invisible Man*, is by **H. G. Wells**, a science-fiction writer.

- Spelling slips: *Griffin, invisible, footprints, experiment, transparent*; and tense errors in a narrative summary.

Evaluator's note: Award step marks as shown; accept any correct alternative method. In internal-choice questions, evaluate only the option attempted. Deduct up to ½ mark for missing units or figures where required.
