ANSWER KEY & MARKING SCHEME SET 1

Chapter 5: **Print Culture and the Modern World (History)** | Class 10 Social Science | Maximum Marks: 40

SECTION — A (Objective Type) — Answers — 10 × 1 = 10

Q.	Correct Option	Brief Reasoning
1	**(b)** in local languages	Indian languages
2	**(d)** news and views of the day	Press
3	**(b)** a Buddhist text	Japan 868
4	**(a)** cheap books and chapbooks	Chapbooks
5	**(d)** gods and goddesses	Mass prints
6	**(b)** ideas and debate	Debate
7	**(a)** 15th century	Gutenberg
8	**(c)** Amar Jiban	Autobiography
9	**(c)** reproducing text and images in large numbers	Books
10	**(b)** Bal Gangadhar Tilak	Marathi

SECTION — B (Very Short Answer) — Answers — 4 × 2 = 8

Q.	Expected Answer / Value Points	Marks
11	Gutenberg was a German goldsmith who developed the printing press with movable type (1); He printed the Bible in about 1448 (1).	1+1
12	The Index of Prohibited Books was a list of banned books kept by the Roman Church from 1558 (1); It was meant to control reading of heretical ideas (1).	1+1
13	Gulamgiri is a book written by Jyotiba Phule in 1871 (1); It exposed the injustices of the caste system (1).	1+1
14	Censorship is control over what may be published (1); The government banned writings critical of it (1).	1+1

SECTION — C (Short Answer) — Answers — 4 × 3 = 12

Q.	Expected Answer / Value Points	Marks
15	Books became cheaper and more widely available (1); A new reading public emerged (1); Ideas of the Enlightenment and debate spread (1).	1+1+1
16	Printing made books cheaper (1); More people became literate (1); New ideas and news were in demand (1).	1+1+1
17	Rashsundari Debi (1); Tarabai Shinde (1); Jyotiba Phule (1).	1+1+1
	OR: China (1); Japan (1); Korea (1).	1+1+1
18	They are printed from carved wooden blocks (1); Each page is carved on a single block (1); The blocks were inked and pressed on paper (1).	1+1+1
	OR: Women (1); Children (1); Workers and artisans (1).	1+1+1

SECTION — D (Long Answer) — Answers — 2 × 5 = 10

Q.	Expected Answer / Value Points	Marks
19	China had woodblock printing from early times (1); The state produced books for civil service examinations (1); In Japan the Diamond Sutra, a Buddhist text, was printed in 868 CE (1); Edo became a centre of illustrated books and prints (1); Print later spread with trade to Europe (1).	1+1+1+1+1
	OR: Books and newspapers were bought by a growing number of people (1); Women became readers and writers (1); Children had their own books and magazines (1); Workers used libraries and wrote their own accounts (1); Literacy and reading increased (1).	1+1+1+1+1
20	The Vernacular Press Act of 1878 was passed by the colonial government (1); It aimed to control Indian language newspapers (1); Officials could censor reports and editorials (1); Papers that did not comply could have their presses seized (1); Nationalists opposed it strongly (1).	1+1+1+1+1
	OR: Gutenberg was a German goldsmith from Mainz (1); He developed the press by adapting the olive press (1); He used movable metal type for letters (1); He printed the Bible, 180 copies in three years (1); Books could now be produced faster and cheaper (1).	1+1+1+1+1

Mistakes to avoid:

- Writing that Gutenberg invented printing; printing began in **China, Japan and Korea**, and Gutenberg developed the **first-known printing press** in Europe in the 1430s.
- Giving the wrong date for Marco Polo's return from China (**1295**) or confusing him with Gutenberg.
- Mixing Martin Luther's **Ninety Five Theses (1517)** with the Index of Prohibited Books started by the Roman Church from the mid-sixteenth century.
- Saying that print *caused* the French Revolution; historians say it created conditions for a new culture of debate and dissent.
- Confusing **chapbooks** (England), **almanacs** and ballads with the **Bibliotheque Bleue** of France.
- Forgetting that the **Vernacular Press Act** (1878) targeted Indian-language papers and was modelled on the Irish Press Laws.

Evaluator's note: Award step marks as shown; accept any correct alternative method. In internal-choice questions, evaluate only the option attempted. Deduct up to ½ mark for missing units or figures where required.
