ANSWER KEY & MARKING SCHEME SET 1

Chapter 5: **Print Culture and the Modern World (History)** | Class 10 Social Science | Maximum Marks: 40

SECTION — A (Objective Type) — Answers — 10 × 1 = 10

Q.	Correct Option	Brief Reasoning
1	**(c)** poverty and lack of schools	Many people could not read
2	**(d)** censorship	Control over published material
3	**(a)** Both A and R are true and R is the correct explanation of A.	Both true; R explains A
4	**(a)** support for the press	The Act aimed to curb the press
5	**(c)** newspapers such as Kesari	Newspapers spread nationalist ideas
6	**(a)** newspapers debating political issues	Public debate grew
7	**(d)** it could spread rumours and irreligious ideas	Authorities feared uncontrolled print
8	**(d)** A is false but R is true.	A false; R true
9	**(b)** Both A and R are true but R is not the correct explanation of A.	Both are true, but the book printed does not explain where or when the press was developed.
10	**(a)** Both A and R are true and R is the correct explanation of A.	The printed copies reached many people quickly, helping the Reformation; R explains A.

SECTION — B (Very Short Answer) — Answers — 4 × 2 = 8

Q.	Expected Answer / Value Points	Marks
11	Print made scientific discoveries available to many readers (1); Scientists like Newton were widely read, and debates became public (1).	1+1
12	Menocchio read printed books and developed his own ideas (1); The Church executed him, showing the danger print held for authorities (1).	1+1
13	Women wrote autobiographies and articles (1); They could express their views and demand rights through print (1).	1+1
14	Translations let people read the Bible themselves (1); The Church feared that people would interpret it differently and question its authority (1).	1+1

SECTION — C (Short Answer) — Answers — 4 × 3 = 12

Q.	Expected Answer / Value Points	Marks
15	Luther's printed Theses and translated Bible spread the Reformation (1); Without print, his ideas might not have reached so many (1); Print also helped the Church spread its own views, so it was linked but not the sole cause (1).	1+1+1
16	Hindus and Muslims published religious texts in local languages (1); Reformers and orthodox groups debated in print (1); Ulama issued fatwas to guide Muslim readers (1).	1+1+1
17	Phule, Ambedkar and Periyar wrote about caste oppression (1); Workers like Kashibaba wrote about their lives (1); They used print to challenge upper-caste dominance (1).	1+1+1
	OR: Hickey's Gazette was a commercial English paper critical of the Company (1); Sambad Kaumudi was a vernacular paper for social reform (1); The first targeted the English-speaking community, the second Indian readers (1).	1+1+1
18	Novels, magazines and newspapers gave new leisure activities (1); Silent reading at home replaced group reading aloud (1); Circulating libraries and reading rooms became popular (1).	1+1+1
	OR: Newspapers and books spread ideas against sati, child marriage and caste (1); Reformers like Roy and Phule used them (1); They created public debate and pressure for change (1).	1+1+1

SECTION — D (Long Answer) — Answers — 2 × 5 = 10

Q.	Expected Answer / Value Points	Marks
19	(i) Strasbourg, Germany (1). (ii) The Bible (1). (iii) The olive press (1). (iv) Hand copying was slow, costly and laborious; the press produced many copies quickly and cheaply, which helped books reach more readers (2).	1+1+1+2
20	Print united people in the national movement through newspapers (1); Common ideas of freedom spread across regions (1); But debates on caste, religion and language also divided society (1); Orthodox and reformers argued in print (1); Print thus served both unity and division (1).	1+1+1+1+1

	OR: Women read novels and journals (1); Rashsundari Debi wrote Amar Jiban and Tarabai Shinde wrote about gender inequality (1); Women edited magazines and wrote on education (1); Orthodox people opposed women's reading (1); Their contribution made women visible in public debate (1).	1+1+1+1+1

Mistakes to avoid:

- Writing that Gutenberg invented printing; printing began in **China, Japan and Korea**, and Gutenberg developed the **first-known printing press** in Europe in the 1430s.
- Giving the wrong date for Marco Polo's return from China (**1295**) or confusing him with Gutenberg.
- Mixing Martin Luther's **Ninety Five Theses (1517)** with the Index of Prohibited Books started by the Roman Church from the mid-sixteenth century.
- Saying that print *caused* the French Revolution; historians say it created conditions for a new culture of debate and dissent.
- Confusing **chapbooks** (England), **almanacs** and ballads with the **Bibliotheque Bleue** of France.
- Forgetting that the **Vernacular Press Act** (1878) targeted Indian-language papers and was modelled on the Irish Press Laws.

Evaluator's note: Award step marks as shown; accept any correct alternative method. In internal-choice questions, evaluate only the option attempted. Deduct up to ½ mark for missing units or figures where required.

ANSWER KEY & MARKING SCHEME SET 2

Chapter 5: **Print Culture and the Modern World (History)** | Class 10 Social Science | Maximum Marks: 40

SECTION — A (Objective Type) — Answers — 10 × 1 = 10

Q.	Correct Option	Brief Reasoning
1	**(c)** Rashsundari Debi	Amar Jiban
2	**(c)** colonial rule increased the reading public and political debate	Reform movements and politics drove it
3	**(c)** middle-class readers, including women	Libraries lent novels
4	**(d)** a great eagerness among people to read	Literacy and print grew
5	**(a)** Both A and R are true and R is the correct explanation of A.	Both true; R explains A
6	**(a)** Both A and R are true and R is the correct explanation of A.	Both true; R explains A
7	**(a)** reached ordinary people in their own languages	Vernacular papers had a mass audience
8	**(a)** presses were set up in most European countries within a century	Between 1450 and 1550 presses spread
9	**(c)** A is true but R is false.	A is true. The Church was hostile to such ideas and began keeping an Index of Prohibited Books, so R is false.
10	**(d)** A is false but R is true.	The Act was passed to control the vernacular press; A is false, R is true.

SECTION — B (Very Short Answer) — Answers — 4 × 2 = 8

Q.	Expected Answer / Value Points	Marks
11	Censorship angered the educated and increased criticism (1); Nationalist papers grew stronger and used censorship as an example of colonial injustice (1).	1+1
12	Children's books and school texts were published separately (1); This created the idea of childhood as a separate stage (1).	1+1
13	They feared that reading would change women's traditional roles (1); They felt novels would corrupt women's minds (1).	1+1
14	Newspapers reported world events and local issues (1); Ideas like liberty and reform spread from Europe to India through print (1).	1+1

SECTION — C (Short Answer) — Answers — 4 × 3 = 12

Q.	Expected Answer / Value Points	Marks
15	Women read novels and wrote autobiographies and articles (1); Some wrote in journals and edited magazines (1); Families and conservatives opposed their reading and writing (1).	1+1+1
16	Newspapers reported the same news to different regions (1); Vernacular papers reached ordinary people (1); Common ideas and symbols created a sense of one nation (1).	1+1+1
17	Manuscripts were handwritten, costly and few (1); Print produced many copies cheaply and quickly (1); Ideas spread faster and to more people (1).	1+1+1
	OR: Literacy was low and many were poor (1); Books and papers were costly for the rural poor (1); Oral traditions remained strong, so reach was limited (1).	1+1+1
18	Pictures, calendars and cartoons spread political ideas (1); Even the illiterate could see and understand them (1); They gave faces to leaders and symbols to movements (1).	1+1+1
	OR: Printed books and articles on science reached many readers (1); Scientific ideas could be tested and discussed in public (1); This challenged old beliefs and traditions (1).	1+1+1

SECTION — D (Long Answer) — Answers — 2 × 5 = 10

Q.	Expected Answer / Value Points	Marks

19	(i) Rashsundari Debi (1). (ii) Bengali (1). (iii) In the secrecy of her kitchen (1). (iv) They believed that reading would corrupt women and disturb tradition (1); even so, books and journals gave women a wider reading public and a chance to write and campaign for reforms (1).	1+1+1+2
20	The Bengal Gazette was persecuted in the 1780s (1); The Vernacular Press Act of 1878 allowed censorship of vernacular papers (1); Papers that did not comply were seized (1); Nationalists criticised the Act and continued to publish (1); Censorship increased resentment and nationalist feeling (1).	1+1+1+1+1
	OR: Women wrote autobiographies and articles in the nineteenth century (1); Phule, Ambedkar and Periyar wrote against caste (1); Workers wrote about their lives and working conditions (1); Children's books and magazines appeared (1); Print thus enabled groups that had been silent to speak (1).	1+1+1+1+1

Mistakes to avoid:

- Writing that Gutenberg invented printing; printing began in **China, Japan and Korea**, and Gutenberg developed the **first-known printing press** in Europe in the 1430s.
- Giving the wrong date for Marco Polo's return from China (**1295**) or confusing him with Gutenberg.

ANSWER KEY & MARKING SCHEME SET 3

Chapter 5: **Print Culture and the Modern World (History)** | Class 10 Social Science | Maximum Marks: 40

SECTION — A (Objective Type) — Answers — 10 × 1 = 10

Q.	Correct Option	Brief Reasoning
1	**(d)** A is false but R is true.	A false; R true
2	**(a)** Both A and R are true and R is the correct explanation of A.	Both true; R explains A
3	**(a)** Both A and R are true and R is the correct explanation of A.	Both true; R explains A
4	**(a)** a cartoon mocking an official	Cartoons criticised authority
5	**(d)** A is false but R is true.	A false; R true
6	**(c)** Ram Mohan Roy	He criticised practices like sati
7	**(b)** Jane Austen - Gulamgiri	Austen wrote novels
8	**(a)** Both A and R are true and R is the correct explanation of A.	Both true; R explains A
9	**(a)** Both A and R are true and R is the correct explanation of A.	Being small and cheap, they could be sold at low prices to ordinary readers; R explains A.
10	**(b)** Both A and R are true but R is not the correct explanation of A.	Both true but unrelated publications.

SECTION — B (Very Short Answer) — Answers — 4 × 2 = 8

Q.	Expected Answer / Value Points	Marks
11	Newspapers and books were carried across regions by trains and mail (1); Reform ideas thus reached people in different provinces (1).	1+1
12	Most people were poor and had no schools (1); Books were still costly and many people could not read (1).	1+1
13	Novels entertained through stories of everyday life (1); They also raised social issues and criticised society and authority (1).	1+1
14	Cartoons mocked authorities in a way people could easily understand (1); Even the illiterate could grasp them, so they spread dissent widely (1).	1+1

SECTION — C (Short Answer) — Answers — 4 × 3 = 12

Q.	Expected Answer / Value Points	Marks
15	Print spread Enlightenment ideas, but print alone did not cause the revolution (1); Economic crisis, tax burden and political conditions also mattered (1); Print helped create critical public opinion before 1789 (1).	1+1+1
16	Newspapers continued criticism despite the Vernacular Press Act (1); Nationalist leaders used speeches and publications to oppose it (1); Papers shifted to publishing in several languages or became more cautious but remained critical (1).	1+1+1
17	The Church began the Index of Prohibited Books in 1558 (1); The Inquisition tried people like Menocchio for heresy (1); It sought to control printers and publishers, but could not stop print (1).	1+1+1
	OR: Cheap penny magazines and chapbooks reached the poor and women (1); Reading was no longer limited to the rich (1); New popular genres, ballads and romances, grew (1).	1+1+1
18	Print spread the ideas of liberty and equality (1); It allowed critics to question rulers (1); Newspapers built public opinion for democratic change (1).	1+1+1
	OR: Printed books carried the author's name and credit (1); Writers could earn from readers (1); The idea of intellectual property and individual authorship developed (1).	1+1+1

SECTION — D (Long Answer) — Answers — 2 × 5 = 10

Q.	Expected Answer / Value Points	Marks
19	(i) 1878 (1). (ii) Kesari (1). (iii) After writing in sympathy of the persecuted peasants of Punjab (1). (iv) Nationalist papers grew bolder in criticising the government; people protested and used print more widely to spread ideas of nationalism (2).	1+1+1+2

20	Newspapers spread nationalist ideas and criticised the government (1); Reformers such as Roy and Phule used print for reform (1); Vernacular papers reached ordinary Indians (1); Cartoons and prints created national symbols (1); The colonial state responded with censorship, which strengthened nationalism (1).	1+1+1+1+1
	OR: Pictures, cartoons and prints complemented text (1); Ravi Varma's mass-produced pictures reached the poor (1); Cartoons criticised authorities and were understood by the illiterate (1); Calendars and posters spread national symbols (1); Visuals made ideas accessible to wider audiences (1).	1+1+1+1+1

Mistakes to avoid:
