Mistakes to avoid:

- Writing that Mumbai is an **artificial** harbour: it is the **biggest natural harbour**, while Chennai is an artificial port and Kandla a **tidal** port.
- Mixing up the Golden Quadrilateral (**Delhi-Kolkata-Chennai-Mumbai**) with the North-South (**Srinagar-Kanyakumari**) and East-West (**Silchar-Porbandar**) corridors.
- Saying that the **NHAI** builds state highways; state highways and district roads are built and maintained by the State Public Works Department, and the BRO builds roads in border areas.
- Confusing **balance of trade** (goods only, exports minus imports) with 'balance of payments', or calling a deficit 'favourable'.

- Forgetting that the first railway ran from **Mumbai to Thane** in 1853, and treating railways as unimportant now; they are still the principal mode for bulk freight.
- Treating communication as only the telephone: it includes **personal communication** (post, telephone, internet) and **mass communication** (radio, TV, newspapers, cinema).

Evaluator's note: Award step marks as shown; accept any correct alternative method. In internal-choice questions, evaluate only the option attempted. Deduct up to ½ mark for missing units or figures where required.
