2. Q. 1–10 are Objective Type (1 mark each).
3. Q. 11–14 are Very Short Answer Type (2 marks each).
4. Q. 15–18 are Short Answer Type (3 marks each).
5. Q. 19–20 are Long Answer Type (5 marks each).
6. Internal choice is given in Q. 17 to 20.
7. Write the question number before each answer.
8. Hard level: application and higher-order questions.

SECTION — A (Objective Type Questions) 10 × 1 = 10

Choose the correct option and write it in your answer book.

1. Which of the following pairs is correctly matched? 1

(a) Coalition government - power among levels of government
(b) Community government in Belgium - power among organs of government
(c) Legislature and judiciary - power among social groups
(d) Panchayat and municipality - vertical division of power

2. Assertion (A): Judges in a democracy may check the working of the executive. Reason (R): Judges are appointed by the executive. 1

(a) Both A and R are true and R is the correct explanation of A.
(b) Both A and R are true but R is not the correct explanation of A.
(c) A is true but R is false.
(d) A is false but R is true.

3. Which of these statements is NOT supported by the chapter? 1

(a) Brussels was chosen for the EU headquarters
(b) Belgium's model is innovative
(c) Power sharing always weakens governments
(d) Tyranny of the majority harms the majority too

4. Assertion (A): Sri Lankan Tamil groups demanded an independent Tamil Eelam by the 1980s. Reason (R): Their demand for more autonomy to Tamil-populated provinces had been repeatedly denied. 1

(a) Both A and R are true and R is the correct explanation of A.
(b) Both A and R are true but R is not the correct explanation of A.
(c) A is true but R is false.
(d) A is false but R is true.

5. A city council lets citizens in every ward decide how to spend part of the budget. This reflects: 1

(a) majoritarian rule **(b)** concentration of power
(c) a unitary state **(d)** power sharing with citizens

6. Assertion (A): Tyranny of the majority harms the majority community as well. Reason (R): Imposing the will of the majority undermines the unity of the nation in the long run. 1

(a) Both A and R are true and R is the correct explanation of A.
(b) Both A and R are true but R is not the correct explanation of A.
(c) A is true but R is false.
(d) A is false but R is true.

7. A community requests that its language be recognised as an official language. Using Belgium as the model, a government should: 1

(a) ignore it
(b) ban its schools
(c) impose a majority language
(d) recognise it and share power through community arrangements

8. Statements: A. Power sharing reduces conflict. B. Power sharing delays decisions only. C. Power sharing accommodates diversity. D. Power sharing promotes participation. Which are arguments in favour of power sharing? 1

(a) B only **(b)** A and B only **(c)** B and D **(d)** A, C and D

9. **Assertion (A):** In federal governments, power is divided between the central government and state governments. 1

Reason (R): This is called vertical division of power because different levels of government exercise power.

Choose the correct option:

(a) Both A and R are true and R is the correct explanation of A.

(b) Both A and R are true but R is not the correct explanation of A.

(c) A is true but R is false.

(d) A is false but R is true.

10. **Assertion (A):** Brussels, the capital of Belgium, has a special arrangement of government. 1

Reason (R): In Belgium the majority of the population is Dutch-speaking and lives in the Flemish region.

Choose the correct option:

(a) Both A and R are true and R is the correct explanation of A.

(b) Both A and R are true but R is not the correct explanation of A.

(c) A is true but R is false.

(d) A is false but R is true.

SECTION — B (Very Short Answer Type) — 4 × 2 = 8

Answer in about 20–30 words each.

11. What is the importance of the Constitution laying down the powers of each level of government? 2

12. Why did Sri Lanka's Sinhala community have an even bigger majority advantage than Belgium's Dutch? 2

13. Why does the chapter say that power sharing 'emerged in opposition to undivided political power'? 2

14. Why were both Belgium and Sri Lanka tests of democracy? 2

SECTION — C (Short Answer Type) — 4 × 3 = 12

Answer in about 40–60 words each.

15. What does Lebanon's example show about the limits of community-based power sharing? 3

16. Analyse the statement: 'Sri Lanka's majority tried to protect itself but ended up harming everyone.' 3

17. Why might Tamils have found the central government in Sri Lanka insensitive? 3

OR

Discuss how constitutional safeguards make accommodation stable. 3

18. Analyse how horizontal power sharing protects citizens' rights. 3

OR

Explain how decentralisation to panchayats is also power sharing. 3

SECTION — D (Long Answer Type) — 2 × 5 = 10

Answer in about 100–150 words each.

19. **Case study.** In a district, a village panchayat, a block samiti and a district-level body each have separate powers. Meanwhile, at the national level, the legislature, executive and judiciary exercise different powers in the same government. Also, in some states, many parties join to form a coalition government. A student is asked to identify the forms of power-sharing. 5

(i) Name the form of power-sharing between legislature, executive and judiciary.

(ii) What is power-sharing between the central, state and local governments called?

(iii) Which form of power-sharing is seen in a coalition government?

(iv) Why is a system of checks and balances useful?

20. Write an essay on why power sharing is the spirit of democracy. 5

OR

Evaluate Khalil's argument that Lebanon should adopt 'regular' rules and the elders' response. 5

END OF QUESTION PAPER — Total: 40 Marks
