3. Q. 11–14 are Very Short Answer Type (2 marks each).
4. Q. 15–18 are Short Answer Type (3 marks each).
5. Q. 19–20 are Long Answer Type (5 marks each).
6. Internal choice is given in Q. 17 to 20.
7. Write the question number before each answer.
8. Hard level: application and higher-order questions.

SECTION — A (Objective Type Questions) 10 × 1 = 10

Choose the correct option and write it in your answer book.

1. An independent candidate wins in a constituency. Which function of parties is absent for that candidate? 1

(a) Receiving votes
(b) Contesting elections
(c) Campaigning
(d) Promising to follow a party's policy programme in government

2. Which of these is likely to improve internal democracy in a party? 1

(a) Holding regular open elections to the highest posts
(b) Allowing a single family to hold posts
(c) Banning meetings
(d) Hiding membership lists

3. Statements: A. Political parties do not enjoy much trust. B. Parties are rocked by scandals involving top leaders. C. Parties are not necessary to run governments. Which are correct as per the chapter? 1

(a) A and B **(b)** A and C **(c)** A, B and C **(d)** B and C

4. Which of the following is a reason why people feel close to parties though they do not fully trust them? 1

(a) Parties conduct the elections
(b) Parties control the courts
(c) Parties provide access to government machinery and welfare schemes
(d) Parties issue ration cards by law

5. Assertion (A): Dynastic succession is unfair to ordinary party workers. Reason (R): Top positions are always controlled by members of one family. 1

(a) Both A and R are true and R is the correct explanation of A.
(b) Both A and R are true but R is not the correct explanation of A.
(c) A is true but R is false.
(d) A is false but R is true.

6. Assertion (A): State parties have helped to strengthen federalism. Reason (R): Since 1996 nearly every State party has been part of a national coalition government. 1

(a) Both A and R are true and R is the correct explanation of A.
(b) Both A and R are true but R is not the correct explanation of A.
(c) A is true but R is false.
(d) A is false but R is true.

7. Assertion (A): No national party could win a majority in the Lok Sabha on its own until 2014. Reason (R): National parties were compelled to form alliances with State parties. 1

(a) Both A and R are true and R is the correct explanation of A.
(b) Both A and R are true but R is not the correct explanation of A.
(c) A is true but R is false.
(d) A is false but R is true.

8. Assertion (A): Parties in India are completely unpopular, and nobody takes part in their activities. Reason (R): Parties are among the least trusted institutions. 1

(a) Both A and R are true and R is the correct explanation of A.
(b) Both A and R are true but R is not the correct explanation of A.
(c) A is true but R is false.
(d) A is false but R is true.

9. **Assertion (A):** The anti-defection law was brought in to check the practice of legislators changing parties after being elected. 1
Reason (R): Defection by legislators for personal gain weakens the stability of governments and the mandate of voters.
Choose the correct option:
(a) Both A and R are true and R is the correct explanation of A.
(b) Both A and R are true but R is not the correct explanation of A.
(c) A is true but R is false.
(d) A is false but R is true.

10. **Assertion (A):** A party in India is recognised as a national party if it fulfils the conditions laid down by the Election Commission. 1
Reason (R): The Election Commission allots a symbol to a recognised party and its candidates.
Choose the correct option:
(a) Both A and R are true and R is the correct explanation of A.
(b) Both A and R are true but R is not the correct explanation of A.
(c) A is true but R is false.
(d) A is false but R is true.

SECTION — B (Very Short Answer Type) — 4 × 2 = 8

Answer in about 20–30 words each.

11. What is the effect of leaders shifting from party to party? 2

12. Why are parties easy targets for blame? 2

13. How can defection harm democracy? 2

14. Why is the claim 'democracy is equal to political parties' common? 2

SECTION — C (Short Answer Type) — 4 × 3 = 12

Answer in about 40–60 words each.

15. Justify the demand for one-third tickets for women. 3

16. How do alliances help small parties? 3

17. Why is the BSP described as having a base in some States but not all? 3

OR

Evaluate why the party system in India is not a two-party system. 3

18. Examine the claim that party symbols are not important. 3

OR

Distinguish between a ruling party and the opposition in terms of functions. 3

SECTION — D (Long Answer Type) — 2 × 5 = 10

Answer in about 100–150 words each.

19. **Case study.** In country A there is only one party, which controls all governments. In country B two parties generally win power alternately. In country C many parties compete and coalitions form governments. A student of political science is asked to classify the party systems and to name an example of each. 5
(i) What is the system in country A called?
(ii) Name a country with a two-party system.
(iii) Which system does India have?
(iv) Why is the one-party system not considered democratic?

20. Explain the arguments for and against state funding of elections. 5

OR

Discuss the importance of internal democracy to the health of a party and of democracy. 5
