2. Q. 1–10 are Objective Type (1 mark each).
3. Q. 11–14 are Very Short Answer Type (2 marks each).
4. Q. 15–18 are Short Answer Type (3 marks each).
5. Q. 19–20 are Long Answer Type (5 marks each).
6. Internal choice is given in Q. 17 to 20.
7. Write the question number before each answer.
8. Hard level: application and higher-order questions.

SECTION — A (Objective Type Questions) 10 × 1 = 10

Choose the correct option and write it in your answer book.

1. A bank, a courier firm and a school are all tertiary because they: 1

(a) extract minerals **(b)** provide services and not goods
(c) grow crops **(d)** make goods in factories

2. A household of 5 adults each get 100 days of MGNREGA work at Rs 220 per day under the household limit of 100 days. Total wages for the household are: 1

(a) Rs 22,000 **(b)** Rs 11,000 **(c)** Rs 2,200 **(d)** Rs 1,10,000

3. Which sector protects workers through the Payment of Gratuity Act? 1

(a) Unorganised sector **(b)** Organised sector
(c) All casual workers **(d)** Primary sector only

4. Which of the following is the best argument for public provision of school education? 1

(a) Schools always make profit
(b) All children, including the poor, must be able to study
(c) Private schools are illegal
(d) Parents want free uniforms

5. **Assertion (A):** Intermediate goods are not counted separately in GDP. 1
Reason (R): Their value is already included in the value of final goods.

(a) Both A and R are true and R is the correct explanation of A.
(b) Both A and R are true but R is not the correct explanation of A.
(c) A is true but R is false.
(d) A is false but R is true.

6. **Assertion (A):** Both skilled and unskilled workers are found in the tertiary sector. 1
Reason (R): All service jobs offer high pay and security.

(a) Both A and R are true and R is the correct explanation of A.
(b) Both A and R are true but R is not the correct explanation of A.
(c) A is true but R is false.
(d) A is false but R is true.

7. Which of the following is the best example of unemployment caused by seasons? 1

(a) A clerk on leave
(b) A student on holiday
(c) A factory shift change
(d) Farm labourers without work after harvest

8. **Assertion (A):** MGNREGA gives rural households a legal right to work. 1
Reason (R): If work is not given, the government must pay an unemployment allowance.

(a) Both A and R are true and R is the correct explanation of A.
(b) Both A and R are true but R is not the correct explanation of A.
(c) A is true but R is false.
(d) A is false but R is true.

9. **Assertion (A):** There is disguised unemployment in the agricultural sector in India. 1
Reason (R): More people work on the small farms than are actually needed, so even if some are moved out, production would not suffer.
Choose the correct option:
(a) Both A and R are true and R is the correct explanation of A.
(b) Both A and R are true but R is not the correct explanation of A.
(c) A is true but R is false.
(d) A is false but R is true.

10. **Assertion (A):** Railways and the post office are examples of the public sector. 1
Reason (R): Companies like Tata Iron and Steel Company Limited (TISCO) belong to the private sector.
Choose the correct option:
(a) Both A and R are true and R is the correct explanation of A.
(b) Both A and R are true but R is not the correct explanation of A.
(c) A is true but R is false.
(d) A is false but R is true.

SECTION — B (Very Short Answer Type) — 4 × 2 = 8

Answer in about 20–30 words each.

11. Why does the Indian government provide a minimum support price although markets exist? 2

12. A bakery buys flour worth Rs 20,000 and electricity worth Rs 3,000 and sells bread worth Rs 40,000. Find its value added. 2

13. Why is MGNREGA called a right-based programme? 2

14. State one reason each why a private company and the government would build a power plant. 2

SECTION — C (Short Answer Type) — 4 × 3 = 12

Answer in about 40–60 words each.

15. Discuss how the growth of IT affects the tertiary sector's share and employment. 3

16. How do the Factories Act and the Minimum Wages Act benefit workers, and why do many workers remain outside their reach? 3

17. Why is food procurement at minimum support price helpful to farmers but expensive to the government? 3

OR

Why is it said that jobless growth threatens India despite growth in GDP? 3

18. Explain why the percentage of workers in the unorganised sector remains large in India. 3

OR

Compare TISCO and Indian Railways in terms of ownership and objectives. 3

SECTION — D (Long Answer Type) — 2 × 5 = 10

Answer in about 100–150 words each.

19. **Case study.** Kanta works in an office from 9.30 a.m. to 5.30 p.m. and gets a regular salary, paid leave and a pension after retirement. Kamal works for a small shop owner. He has no fixed hours, no paid leave and may be asked to leave anytime. Both of them work in the services sector. 5
(i) In which sector does Kanta work, organised or unorganised?
(ii) Which of the two enjoys job security?
(iii) Name one Act that organised sector workers are covered under.
(iv) Why do workers in the unorganised sector need protection?

20. Why is the unorganised sector large in India? Examine how the condition of its workers could be improved. 5

OR

Discuss why a sector's large share of employment but small share of GDP indicates a developmental problem. 5

END OF QUESTION PAPER — Total: 40 Marks
