THE MASTERMIND COACHING CLASSES

CBSE / RBSE • NURSERY – CLASS XII • JAIPUR

Road No. 5, VKIA, Jaipur — 9887258679

CLASS 10 — SOCIAL SCIENCE · HARD LEVEL MCQ TEST SET 2

Full Syllabus (Chapters 1–22) | RBSE Pattern | Session 2026–27

Time: 1 Hour Name: _____ Roll No.: _____ **Maximum Marks: 50**

General Instructions:

1. All questions are compulsory.
2. Q. 1–50 are Multiple Choice Questions (1 mark each); there is no negative marking.
3. Choose the correct option and write its letter (a, b, c or d) against the question number.
4. Questions cover the whole syllabus of the class.
5. Hard level: application and higher-order questions.

MULTIPLE CHOICE QUESTIONS 50 × 1 = 50

Choose the correct option and write it in your answer book.

1. Assertion (A): Endemic species are at greater risk of extinction. Reason (R): They are found only in a limited area. 1

(a) Both A and R are true and R is the correct explanation of A.
(b) Both A and R are true but R is not the correct explanation of A.
(c) A is true but R is false.
(d) A is false but R is true.

2. Assertion (A): Johads help recharge groundwater. Reason (R): They store monsoon run-off, which percolates into the ground. 1

(a) Both A and R are true and R is the correct explanation of A.
(b) Both A and R are true but R is not the correct explanation of A.
(c) A is true but R is false.
(d) A is false but R is true.

3. Assertion (A): Agriculture is vital for India. Reason (R): It employs about two-thirds of the population. 1

(a) Both A and R are true and R is the correct explanation of A.
(b) Both A and R are true but R is not the correct explanation of A.
(c) A is true but R is false.
(d) A is false but R is true.

4. The mineral most needed for aircraft construction is 1

(a) limestone **(b)** salt **(c)** mica **(d)** aluminium

5. Assertion (A): Aluminium smelters are located near sources of cheap power. Reason (R): The smelting process consumes a very large amount of electricity. 1

(a) Both A and R are true and R is the correct explanation of A.
(b) Both A and R are true but R is not the correct explanation of A.
(c) A is true but R is false.
(d) A is false but R is true.

6. Which pair is correct? 1

(a) Chennai - natural harbour **(b)** Mumbai - artificial harbour
(c) Kolkata - desert port **(d)** Kandla - tidal port

7. Assertion (A): Reserved constituencies are a form of power sharing among social groups. Reason (R): They give space to weaker sections in government who would otherwise feel alienated. 1

(a) Both A and R are true and R is the correct explanation of A.
(b) Both A and R are true but R is not the correct explanation of A.
(c) A is true but R is false.
(d) A is false but R is true.

8. Which of these is wrongly matched? 1

(a) Concurrent List - marriage **(b)** Union List - currency
(c) Union List - education **(d)** State List - agriculture

9. Which of these is an instance of religion entering politics that the chapter finds acceptable? 1

(a) Using state power to establish dominance of one religion
(b) Pitting the demands of one group against another
(c) Presenting one religion as superior
(d) Human rights groups demanding protection of religious minorities

10. Assertion (A): The anti-defection law has completely strengthened internal party democracy. Reason (R): The law makes any dissent more difficult. **1**

(a) Both A and R are true and R is the correct explanation of A.
(b) Both A and R are true but R is not the correct explanation of A.
(c) A is true but R is false.
(d) A is false but R is true.

11. Statements: (i) Democracy and development go together; (ii) Inequalities exist in democracies; (iii) Inequalities do not exist under dictatorship; (iv) Dictatorship is better than democracy. The studies on inequality show that: **1**

(a) (iv) is true **(b)** (iii) is true **(c)** (ii) is true **(d)** (i) is true

12. Assertion (A): Groundwater can be used without any limit. Reason (R): Groundwater is a renewable resource that is replenished by rainfall. **1**

(a) Both A and R are true and R is the correct explanation of A.
(b) Both A and R are true but R is not the correct explanation of A.
(c) A is true but R is false.
(d) A is false but R is true.

13. Assertion (A): Banks earn a profit. Reason (R): The interest they pay on deposits is more than the interest they charge on loans. **1**

(a) Both A and R are true and R is the correct explanation of A.
(b) Both A and R are true but R is not the correct explanation of A.
(c) A is true but R is false.
(d) A is false but R is true.

14. Assertion (A): SEZs are set up to attract investment. Reason (R): Companies in SEZs get tax holidays for an initial five years. **1**

(a) Both A and R are true and R is the correct explanation of A.
(b) Both A and R are true but R is not the correct explanation of A.
(c) A is true but R is false.
(d) A is false but R is true.

15. Consider: (i) District court is the first level; (ii) National court is the first level; (iii) An appeal can go to higher levels. Which are correct? **1**

(a) (ii) and (iii) only **(b)** (i) and (iii) only
(c) all three **(d)** (i) and (ii) only

16. Growth of IT-based services is mainly an example of: **1**

(a) decline of the tertiary sector
(b) closure of industries
(c) growth of the primary sector
(d) emergence of new services in the tertiary sector

17. A source states: 'In Paris the poor rose against hunger and unemployment in 1848.' This shows the 1848 revolution in France was driven by: **1**

(a) a religious conflict
(b) royal wish for reforms
(c) economic distress as well as political demands
(d) only foreign invasion

18. Assertion (A): Poona Pact gave separate electorates to Dalits. Reason (R): It reserved seats for depressed classes in legislatures. **1**

(a) Both A and R are true and R is the correct explanation of A.
(b) Both A and R are true but R is not the correct explanation of A.
(c) A is true but R is false.
(d) A is false but R is true.

19. Assertion (A): India became a net exporter of gold in the early 1930s. Reason (R): Peasants sold gold to survive when prices crashed. **1**

(a) Both A and R are true and R is the correct explanation of A.
(b) Both A and R are true but R is not the correct explanation of A.
(c) A is true but R is false.
(d) A is false but R is true.

20. Assertion (A): Weavers resisted the Company's control. Reason (R): Gomasthas imposed low prices and restricted their freedom to sell. **1**

(a) Both A and R are true and R is the correct explanation of A.
(b) Both A and R are true but R is not the correct explanation of A.
(c) A is true but R is false.
(d) A is false but R is true.

21. Which of the following was NOT a reason for the Vernacular Press Act? 1

(a) fear of revolt **(b)** nationalist writing
(c) support for the press **(d)** criticism of the government

22. Assertion (A): Over-irrigation causes salinisation of land. Reason (R): Excess water raises the water table and brings salts to the surface. 1

(a) Both A and R are true and R is the correct explanation of A.
(b) Both A and R are true but R is not the correct explanation of A.
(c) A is true but R is false.
(d) A is false but R is true.

23. A village protects a patch of forest as the abode of a deity. This is a 1

(a) wildlife sanctuary **(b)** national park
(c) sacred grove **(d)** dam site

24. Which project is on the Bhagirathi river? 1

(a) Sardar Sarovar **(b)** Hirakud dam **(c)** Tehri dam **(d)** Bhakra dam

25. If winter rains fail, the crop most at risk is 1

(a) cotton **(b)** wheat **(c)** jute **(d)** rice

26. Assertion (A): Solar energy has high potential in India. Reason (R): India receives abundant sunshine over much of the year. 1

(a) Both A and R are true and R is the correct explanation of A.
(b) Both A and R are true but R is not the correct explanation of A.
(c) A is true but R is false.
(d) A is false but R is true.

27. Assertion (A): The cement industry depends on limestone. Reason (R): Limestone is the main raw material of cement. 1

(a) Both A and R are true and R is the correct explanation of A.
(b) Both A and R are true but R is not the correct explanation of A.
(c) A is true but R is false.
(d) A is false but R is true.

28. Multi-modal transport is efficient because it 1

(a) is complex
(b) uses only one mode
(c) avoids ports
(d) combines the strengths of different modes

29. In which situation is power sharing not being practised? 1

(a) One leader controls all organs of government
(b) Parties form a coalition
(c) Provincial governments have fixed powers
(d) Different organs act as checks

30. A reservation of at least one-third for women in local bodies tells us that the system of local government: 1

(a) applies only in cities
(b) has abolished other reservations
(c) applies only to the Centre
(d) is designed to increase women's representation

31. Which of the following is correct about the relation between caste and politics? 1

(a) Castes never form coalitions
(b) Politics has ended caste groups
(c) Politics also changes caste identities as caste groups enlarge and form coalitions
(d) Caste plays no role in nominations

32. Match: 1 Congress; 2 BJP; 3 CPI-M; 4 Telugu Desam with A NDA; B State party; C UPA; D Left Front. Correct: 1

(a) 1-C, 2-A, 3-D, 4-B **(b)** 1-A, 2-C, 3-B, 4-D
(c) 1-C, 2-D, 3-A, 4-B **(d)** 1-B, 2-A, 3-C, 4-D

33. Statements: A. Democracy has eliminated conflicts among people. B. Democracy has eliminated economic inequalities. C. Democracy has eliminated political inequality as an idea. Which is the most defensible statement for the chapter? 1

(a) A and B are true
(b) Democracy has established the idea of political equality though it has not removed conflicts or economic inequality
(c) All three are true
(d) None of the democracies has political equality

34. The per capita availability of foodgrains is higher in a state but many people go hungry. This suggests: 1

(a) no hunger exists
(b) income is equal
(c) PDS is perfect
(d) availability does not ensure access for the poor

35. Assertion (A): Formal credit is cheaper than informal credit. Reason (R): RBI supervises formal sources. 1

(a) Both A and R are true and R is the correct explanation of A.
(b) Both A and R are true but R is not the correct explanation of A.
(c) A is true but R is false.
(d) A is false but R is true.

36. A garment factory hires workers on contract for three months at a time. The most likely impact is: 1

(a) more job security **(b)** higher wages
(c) no change **(d)** less job security

37. A shopkeeper says 'no returns' for a defective item. The consumer should: 1

(a) use the right to seek redressal **(b)** throw the item
(c) accept it **(d)** pay more

38. A farm needs four workers but six work on it. If two leave and output stays the same, this proves that they were: 1

(a) seasonally employed **(b)** under-employed
(c) in the organised sector **(d)** fully employed

39. Why were Italian and German unifications led by monarchies rather than republics? 1

(a) Monarchs favoured democracy
(b) France controlled them
(c) Republican attempts like Mazzini's had failed and the states of Piedmont and Prussia had armies
(d) Republics were banned by law

40. If foreign cloth imports halved in 1921-22, it reflects the effect of 1

(a) Simon **(b)** boycott **(c)** Dandi **(d)** Poona Pact

41. **Assertion (A):** Manufacturing is regarded as the backbone of economic development. 1
Reason (R): It helps modernise agriculture, reduces dependence on agriculture by providing jobs in secondary and tertiary sectors and brings in foreign exchange through exports.
Choose the correct option:
(a) Both A and R are true and R is the correct explanation of A.
(b) Both A and R are true but R is not the correct explanation of A.
(c) A is true but R is false.
(d) A is false but R is true.

42. **Assertion (A):** The Golden Quadrilateral Super Highways are being implemented by the National Highways Authority of India. 1
Reason (R): The Border Roads Organisation was established in 1960 to develop roads in the northern and north-eastern border areas.
Choose the correct option:
(a) Both A and R are true and R is the correct explanation of A.
(b) Both A and R are true but R is not the correct explanation of A.
(c) A is true but R is false.
(d) A is false but R is true.

43. **Assertion (A):** The Belgian model of power-sharing has helped the country remain united. 1
Reason (R): In Belgium the Constitution requires equal numbers of Dutch and French-speaking ministers in the central government and gives community governments powers over cultural, educational and language matters.
Choose the correct option:
(a) Both A and R are true and R is the correct explanation of A.
(b) Both A and R are true but R is not the correct explanation of A.
(c) A is true but R is false.
(d) A is false but R is true.

44. **Assertion (A):** India is a federation, yet the Union government is more powerful than the states. 1
Reason (R): The Union List has subjects like defence, foreign affairs and currency, and residuary subjects go to the Union government.
Choose the correct option:
(a) Both A and R are true and R is the correct explanation of A.
(b) Both A and R are true but R is not the correct explanation of A.
(c) A is true but R is false.
(d) A is false but R is true.

45. **Assertion (A):** Gender division in society is not based on biology but on social expectations and stereotypes. 1
Reason (R): Most women's household work, such as cooking, cleaning and looking after children, is unpaid and is seen as 'natural' to them.
Choose the correct option:
(a) Both A and R are true and R is the correct explanation of A.
(b) Both A and R are true but R is not the correct explanation of A.
(c) A is true but R is false.
(d) A is false but R is true.

46. **Assertion (A):** Political parties are an essential part of a democracy. 1
Reason (R): Parties contest elections, form governments, make policies and act as the opposition when not in power.
Choose the correct option:
(a) Both A and R are true and R is the correct explanation of A.
(b) Both A and R are true but R is not the correct explanation of A.
(c) A is true but R is false.
(d) A is false but R is true.

47. **Assertion (A):** A democratic government is a legitimate government. 1
Reason (R): It is people's own government, and people have the right to choose it through elections.
Choose the correct option:
(a) Both A and R are true and R is the correct explanation of A.
(b) Both A and R are true but R is not the correct explanation of A.
(c) A is true but R is false.
(d) A is false but R is true.

48. **Assertion (A):** Different persons can have different developmental goals. 1
Reason (R): What one person considers development may not be so for another, as they have different life situations and aspirations.
Choose the correct option:
(a) Both A and R are true and R is the correct explanation of A.
(b) Both A and R are true but R is not the correct explanation of A.
(c) A is true but R is false.
(d) A is false but R is true.

49. **Assertion (A):** Money eliminates the need for a double coincidence of wants. 1
Reason (R): Money acts as a medium of exchange, so a seller need only find a buyer and can then use the money to buy what he wants.
Choose the correct option:
(a) Both A and R are true and R is the correct explanation of A.
(b) Both A and R are true but R is not the correct explanation of A.
(c) A is true but R is false.
(d) A is false but R is true.

50. **Assertion (A):** MNCs set up their production units in countries where labour is cheap. 1
Reason (R): Low labour and other costs reduce the cost of production and help MNCs earn greater profits.
Choose the correct option:
(a) Both A and R are true and R is the correct explanation of A.
(b) Both A and R are true but R is not the correct explanation of A.
(c) A is true but R is false.
(d) A is false but R is true.
