3. Q. 16–20 are Very Short Answer Type (2 marks each).
4. Q. 21–25 are Short Answer Type (3 marks each).
5. Q. 26–27 are Long Answer Type (5 marks each).
6. Internal choice is given in Q. 24–25 and Q. 26–27.
7. Write the question number before each answer.
8. Hard level: application and higher-order questions.

SECTION — A (Objective Type Questions) 15 × 1 = 15

Choose the correct option and write it in your answer book.

1. Which statement correctly differentiates community government from regional government in Belgium? 1

(a) Regional government is elected by language community

(b) Community government is based on language community wherever they live; regional government is based on territory

(c) Community government is based on territory

(d) They are identical

2. Consider: (i) Union List - defence; (ii) State List - police; (iii) Concurrent List - currency. Which pairs are correct? 1

(a) (ii) and (iii) only **(b)** (i) and (iii) only

(c) (i) and (ii) only **(d)** all three

3. A woman Chief Minister's cabinet has no women ministers. This illustrates: 1

(a) caste politics

(b) cabinets remain largely all-male even when a woman heads the government

(c) women reservation in cabinet

(d) secular politics

4. Assertion (A): Over-regulation of political parties can be counter-productive. Reason (R): Parties may then find ways to cheat the law. 1

(a) Both A and R are true and R is the correct explanation of A.

(b) Both A and R are true but R is not the correct explanation of A.

(c) A is true but R is false.

(d) A is false but R is true.

5. Which one of these shows the success of the democratic project? 1

(a) People demanding more and questioning power holders

(b) Citizens becoming subjects

(c) People ignoring elections

(d) Government hiding information

6. Which is the best example of horizontal power sharing in India? 1

(a) A panchayat elects a sarpanch

(b) A party forms an alliance

(c) Parliament passes a law and the Supreme Court can review it

(d) The Centre and States share subjects

7. Assertion (A): Hindi is the national language of India. Reason (R): The Constitution did not give the status of national language to any one language. 1

(a) Both A and R are true and R is the correct explanation of A.
(b) Both A and R are true but R is not the correct explanation of A.
(c) A is true but R is false.
(d) A is false but R is true.

8. Assertion (A): In India the state has no interest in religious matters at all. Reason (R): The Constitution allows the state to intervene in religion to ensure equality, for example by banning untouchability. 1

(a) Both A and R are true and R is the correct explanation of A.
(b) Both A and R are true but R is not the correct explanation of A.
(c) A is true but R is false.
(d) A is false but R is true.

9. Assertion (A): The Bahujan Samaj Party seeks to secure power for the bahujan samaj. Reason (R): It was founded in 1984 under Kanshi Ram. 1

(a) Both A and R are true and R is the correct explanation of A.
(b) Both A and R are true but R is not the correct explanation of A.
(c) A is true but R is false.
(d) A is false but R is true.

10. A minority group was never allowed to be part of the majority in a country, for example because of religion. The chapter would say that the country: 1

(a) is an ideal democracy
(b) has too many parties
(c) has no problem
(d) fails the condition for accommodative democracy

11. Assertion (A): Reserved constituencies are a form of power sharing among social groups. Reason (R): They give space to weaker sections in government who would otherwise feel alienated. 1

(a) Both A and R are true and R is the correct explanation of A.
(b) Both A and R are true but R is not the correct explanation of A.
(c) A is true but R is false.
(d) A is false but R is true.

12. Which of these is wrongly matched? 1

(a) Union List - currency
(b) Concurrent List - marriage
(c) State List - agriculture
(d) Union List - education

13. **Assertion (A):** The Belgian model of power-sharing has helped the country remain united. 1
Reason (R): In Belgium the Constitution requires equal numbers of Dutch and French-speaking ministers in the central government and gives community governments powers over cultural, educational and language matters.
Choose the correct option:

(a) Both A and R are true and R is the correct explanation of A.
(b) Both A and R are true but R is not the correct explanation of A.
(c) A is true but R is false.
(d) A is false but R is true.

14. **Assertion (A):** India is a federation, yet the Union government is more powerful than the states. 1
Reason (R): The Union List has subjects like defence, foreign affairs and currency, and residuary subjects go to the Union government.
Choose the correct option:

(a) Both A and R are true and R is the correct explanation of A.
(b) Both A and R are true but R is not the correct explanation of A.
(c) A is true but R is false.
(d) A is false but R is true.

15. **Assertion (A):** Gender division in society is not based on biology but on social expectations and stereotypes. 1

Reason (R): Most women's household work, such as cooking, cleaning and looking after children, is unpaid and is seen as 'natural' to them.

Choose the correct option:

(a) Both A and R are true and R is the correct explanation of A.

(b) Both A and R are true but R is not the correct explanation of A.

(c) A is true but R is false.

(d) A is false but R is true.

SECTION — B (Very Short Answer Type) — 5 × 2 = 10

Answer in about 20–30 words each.

16. What would be the effect on a country if one organ of government became more powerful than others? 2

17. How do Union Territories differ from States? 2

18. Why can male dominance in the household be considered a political issue? 2

19. Why are party lists of candidates chosen by top leaders a concern? 2

20. How can an unequal democracy still be called a democracy? 2

SECTION — C (Short Answer Type) — 5 × 3 = 15

Answer in about 40–60 words each.

21. Evaluate: 'A country that divides power is a weak country.' 3

22. Critically examine: 'More powers to the Centre mean weaker federalism.' 3

23. Examine how gender division in politics benefited from being expressed in politics. 3

24. Assess the statement: 'Parties are a necessary condition for democracy.' 3

OR

Examine how far democracy can be blamed when its promises are not met. 3

25. Differentiate between a unitary and a federal government using Belgium's change in 1993. 3

OR

Evaluate the claim: 'India's language policy has helped English elite more.' 3

SECTION — D (Long Answer Type) — 2 × 5 = 10

Answer in about 100–150 words each.

26. **Case study.** Belgium has a small population of about 1 crore. Of its people, 59 per cent live in the Flemish region and speak Dutch, 40 per cent live in the Wallonia region and speak French, and the rest speak German. In the capital Brussels, 80 per cent speak French and 20 per cent speak Dutch. The minority French-speaking community was relatively rich and powerful. 5

(i) Which language is spoken by the majority in Belgium?

(ii) Which language is spoken by most people in Brussels, and how does this differ from the country as a whole?

(iii) What problem arose as the Dutch-speaking people became better off?

(iv) How did Belgium solve its problem?

27. Critically examine how women's inequality is expressed in education, economic life and politics, and the remedies. 5

OR

Critically examine the claim that political parties are not needed in a democracy. 5
