2. Q. 1–10 are Objective Type (1 mark each).
3. Q. 11–14 are Very Short Answer Type (2 marks each).
4. Q. 15–18 are Short Answer Type (3 marks each).
5. Q. 19–20 are Long Answer Type (5 marks each).
6. Internal choice is given in Q. 17 to 20.
7. Write the question number before each answer.
8. Hard level: application and higher-order questions.

SECTION — A (Objective Type Questions) 10 × 1 = 10

Choose the correct option and write it in your answer book.

1. A contract labourer in a registered factory without provident fund or leave is: 1

(a) fully protected
(b) in the public sector
(c) paid overtime
(d) in an unorganised-type job inside an organised unit

2. The public sector helps development of a backward area mainly by: 1

(a) stopping tax collection **(b)** closing the area to firms
(c) charging high prices **(d)** providing roads, schools and clinics

3. Which is the correct order of a value-added chain from the primary to the tertiary sector? 1

(a) Wheat sold, wheat grown, flour milled
(b) Shop built, wheat sold, wheat milled
(c) Wheat grown, flour milled, bread sold in a shop
(d) Bread sold, flour milled, wheat grown

4. A pottery unit buys clay worth Rs 6,000, pays Rs 4,000 in wages and sells pots worth Rs 14,000 to consumers. Its value added is: 1

(a) Rs 14,000 **(b)** Rs 8,000 **(c)** Rs 4,000 **(d)** Rs 6,000

5. A town's income rises sharply. Which change is the most likely? 1

(a) More restaurants, schools and clinics open
(b) Banks close
(c) Fewer shops open
(d) Transport demand falls to zero

6. Why may MGNREGA reduce distress migration? 1

(a) It bans migration **(b)** It gives free cars
(c) It closes farms **(d)** Villagers get paid work near home

7. Which of the following best explains why workers accept unorganised jobs? 1

(a) Not enough organised jobs are available **(b)** They get pensions
(c) They are paid high wages **(d)** They have fixed hours

8. If a government sells its entire stake in a railway line to a private company, the line moves to the: 1

(a) private sector **(b)** primary sector
(c) tertiary sector only **(d)** public sector

9. **Assertion (A):** The tertiary sector has become the largest producing sector in India. 1
Reason (R): The primary sector has stopped producing goods.
(a) Both A and R are true and R is the correct explanation of A.
(b) Both A and R are true but R is not the correct explanation of A.
(c) A is true but R is false.
(d) A is false but R is true.

10. A baker sells bread worth Rs 90,000 using flour worth Rs 60,000. If both are counted in GDP, GDP is overstated by: 1
(a) Rs 60,000 **(b)** Rs 1,50,000 **(c)** Rs 30,000 **(d)** Rs 90,000

SECTION — B (Very Short Answer Type) — 4 × 2 = 8

Answer in about 20–30 words each.

11. Why might the share of tertiary in GDP rise even if farm output rises in absolute terms? 2

12. Why do many organised-sector employers prefer to hire temporary workers? Mention one consequence for workers. 2

13. 'The tertiary sector depends on the other two.' Justify in two points. 2

14. A family of 8 works on a 4-hectare farm that needs 5 workers. How many are disguised unemployed? What can be done? 2

SECTION — C (Short Answer Type) — 4 × 3 = 12

Answer in about 40–60 words each.

15. Why does counting the sales at every stage give a wrong GDP? Illustrate with cotton Rs 20,000, yarn Rs 30,000 and cloth Rs 50,000. 3

16. A village has 120 under-employed workers. A project creates 45 jobs in a cold storage and 30 in a mill. How many remain without productive work? Suggest one more step. 3

17. Why would a private firm not run a bus service to a remote village? What may the government do? 3

OR

Explain why economists use value added to measure each firm's contribution. 3

18. 'MGNREGA is both an income and an asset-creating programme.' Explain. 3

OR

Explain the link between the government's tax revenue and its public sector services. 3

SECTION — D (Long Answer Type) — 2 × 5 = 10

Answer in about 100–150 words each.

19. Examine the reasons for the fast growth of the tertiary sector and why its benefits are uneven. 5

OR

Analyse the public and private sectors as complementary and not rivals. 5

20. Why does under-employment persist in Indian agriculture? Evaluate four measures to address it. 5

OR

A family of 7 cultivates a 3-hectare plot needing 4 workers. 5
(a) How many are disguised unemployed?
(b) Suggest how the extra workers can earn.
