3	Discipline means following rules and doing things at the right time. A disciplined student reaches school on time, completes homework regularly and respects teachers. Great people such as soldiers, sportspersons and scientists owe their success to discipline. It builds character, saves time and brings respect. A person without discipline wastes opportunities and loses the trust of others. Discipline should be learnt from childhood at home and in school. As the saying goes, 'Discipline is the bridge between goals and achievements.' *(Content 2 · Organisation 1 · Language 1)*	4

	OR: My hobby is gardening. Every evening I spend an hour in our small garden at home. I water the plants, remove weeds and sometimes plant new seeds. Watching a tiny seed turn into a flower fills me with joy. Gardening keeps me active and teaches me patience. It also helps me relax after a day of study. I have grown roses, marigolds and tomatoes. I hope to make my school campus greener with the help of my friends. *(Content 2 · Organisation 1 · Language 1)*	4
