3	Good morning everyone. Today I wish to speak on the importance of sports. Sports keep us fit and healthy. They teach us teamwork, discipline and sportsmanship. When we lose, we learn to try again; when we win, we learn to be humble. Sports also relieve stress and make us more attentive in class. Many Indian champions have made the country proud. I urge every student to play at least one hour every day. Remember, a healthy body houses a healthy mind. Thank you. *(Content 2 · Organisation 1 · Language 1)*	4

	OR: Good morning respected Principal, teachers and friends. Today I want to talk about plastic. Plastic bags and bottles choke our drains, harm animals and pollute rivers. They do not decompose for hundreds of years. We can help by carrying cloth bags, refusing straws and reusing bottles. Let us also tell our families to do the same. If each of us makes a small change, our city will be cleaner. Come, let us say no to plastic today. Thank you. *(Content 2 · Organisation 1 · Language 1)*	4
