They choke drains, harm stray animals and spoil our parks. Though the use of thin bags is banned, shops still give them freely. I suggest that the municipal authorities should fine shopkeepers who break the law, provide cloth bags at low cost and run awareness campaigns in schools. Citizens too must carry their own bags. In the garden we played cricket, had a delicious lunch and later enjoyed antakshari. Our teachers joined in the fun. We returned at five in the evening, tired but happy. I wish you had been with us. Do write to me about your plans for the winter break. Yours affectionately, Anil/Anita *(Format 1 · Content 2 · Organisation 1 · Language 1)*	5
3	Sleep is as important to students as food. During sleep the body repairs itself and the brain stores what it has learned. A student who sleeps for eight hours feels fresh, remembers lessons well and stays cheerful. Lack of sleep causes tiredness, poor concentration and bad temper. To sleep well one must keep a fixed bedtime, avoid screens late at night and have a light dinner. Thus, good sleep is the key to good health and good marks. *(Content 2 · Organisation 1 · Language 1)*	4

I hope to become as helpful to others as she is. *(Content 2 · Organisation 1 · Language 1)*	4
