Road No. 5, VKIA, Jaipur — 9887258679

CLASS 9 — SOCIAL SCIENCE CHAPTER TEST SET B

Chapter 2: **The Price Puzzle** | RBSE Pattern | Session 2026–27

Time: 1 Hour 30 Minutes Name: _____ Roll No.: _____ **Maximum Marks: 40**

General Instructions:

1. All questions are compulsory.
2. Q. 1–10 are Objective Type (1 mark each).
3. Q. 11–14 are Very Short Answer Type (2 marks each).
4. Q. 15–18 are Short Answer Type (3 marks each).
5. Q. 19–20 are Long Answer Type (5 marks each).
6. Internal choice is given in Q. 17 to 20.
7. Write the question number before each answer.
8. Draw neat maps and diagrams wherever required.

SECTION — A (Objective Type Questions) 10 × 1 = 10

Choose the correct option and write it in your answer book.

1. At ₹100 per kg, three consumers demand 2 kg, 4 kg and 5 kg of mangoes. The market demand is: 1

(a) 11 kg **(b)** 10 kg **(c)** 5 kg **(d)** 13 kg

2. From the schedule — Price (₹): 5, 10, 15, 20; Quantity demanded: 90, 70, 50, 30; Quantity supplied: 10, 30, 50, 70 — the equilibrium price is: 1

(a) ₹15 **(b)** ₹20 **(c)** ₹10 **(d)** ₹5

3. At ₹15, quantity demanded is 50 and quantity supplied is 50; the market is: 1

(a) in equilibrium **(b)** closed **(c)** in excess demand **(d)** in excess supply

4. The demand curve usually slopes: 1

(a) downward from left to right **(b)** upward
(c) horizontally **(d)** vertically

5. If the price of coffee rises, the demand for tea will: 1

(a) decrease **(b)** increase **(c)** stay the same **(d)** become zero

6. The law of supply states that as price rises, quantity supplied: 1

(a) falls **(b)** becomes infinite **(c)** remains zero **(d)** rises

7. When price is above the equilibrium, there is: 1

(a) shortage **(b)** excess supply **(c)** equilibrium **(d)** excess demand

8. The Essential Commodities Act, 1955 allows the government to: 1

(a) control the supply and price of essential goods
(b) tax foreign goods
(c) fix wages of all workers
(d) ban all trade

9. Why does the market demand curve look flatter than an individual's curve? 1

(a) There are fewer buyers
(b) Many buyers respond to a price change together
(c) Supply is fixed
(d) The price is constant

10. Which of the following would shift the demand curve for ice cream to the right? 1

(a) a fall in the temperature **(b)** a rise in the price of ice cream
(c) a rise in consumers' incomes in summer **(d)** a rise in its cost of production

SECTION — B (Very Short Answer Type) — 4 × 2 = 8

Answer in about 10–15 words each.

11. Distinguish between substitute and complementary goods with one example each. 2

12. State two factors other than price that affect demand. 2

13. What is diminishing marginal utility? 2

14. State the law of supply. 2

SECTION — C (Short Answer Type) — 4 × 3 = 12

Answer in about 30–40 words each.

15. Explain with an example how expectation of future prices influences current demand. 3

16. Explain diminishing marginal utility with the example of mangoes. 3

17. How do season and festivals affect demand? Give two examples. 3

OR

Explain the law of supply with a schedule. 3

18. Why do sellers supply more at higher prices? 3

OR

Explain three factors that change supply. 3

SECTION — D (Long Answer Type) — 2 × 5 = 10

Answer in about 100–150 words each.

19. (i) State the law of supply. 5
(ii) Draw and explain a supply curve.
(iii) State the factors that change supply.

OR

Case study: Table — Price: 10, 20, 30, 40; QD: 100, 80, 60, 40; QS: 20, 40, 60, 80. 5
(i) Find the equilibrium.
(ii) Find the excess demand at ₹10.
(iii) Find the excess supply at ₹40.
(iv) Explain how the market moves from ₹40 to equilibrium.

20. (i) Define equilibrium price and quantity. 5
(ii) Show how the market adjusts when price is above and below equilibrium.
(iii) Does equilibrium exist in the real world?

OR

Case study: During an epidemic, sanitiser prices soared and the government capped the maximum retail price at ₹100. 5
(i) Name the control.
(ii) Which law was used?
(iii) What happened to availability?
(iv) Name a possible harm of such control.

END OF QUESTION PAPER — Total: 40 Marks
