THE MASTERMIND COACHING CLASSES

CBSE / RBSE · Nursery – Class XII · Road No. 5, VKIA, Jaipur · 9887258679

CLASS IX — SOCIAL SCIENCE · FULL SYLLABUS PRACTICE PAPER

Session 2026-27 · CBSE / RBSE Pattern · Set 01 · Part 1 + Part 2

Class: 9	Subject: Social Science	Set 01	Time: 3 Hours	Max. Marks: 80

General Instructions:

1. This question paper contains 37 questions. All questions are compulsory.
2. The paper is divided into SIX sections — A, B, C, D, E and F.
3. Section A — Q.1–20 are multiple-choice questions of 1 mark each.
4. Section B — Q.21–24 are Very Short Answer (VSA) questions of 2 marks each (about 40 words); there is internal choice in 1 question.
5. Section C — Q.25–29 are Short Answer (SA) questions of 3 marks each (about 60 words); there is internal choice in 1 question.
6. Section D — Q.30–33 are Long Answer (LA) questions of 5 marks each (about 120 words); internal choice is given in all four questions.
7. Section E — Q.34–36 are case/source-based questions of 4 marks each with sub-parts of 1, 1 and 2 marks.
8. Section F — Q.37 is a map-skill question of 5 marks.
9. A separate set of questions in lieu of the map question is given for visually impaired candidates only.
10. Write the question number before each answer.

SECTION A — Multiple Choice Questions — 20 questions · 20 marks

Select the most appropriate option. (20 × 1 = 20)

1. A flat-topped underwater mountain, usually a former seamount whose summit was eroded and later submerged, is called a: **1**

(a) abyssal plain (b) guyot
(c) mid-ocean ridge (d) ocean trench

2. **Assertion (A):** Weather events such as clouds, rain and storms occur mostly in the troposphere. **1**
Reason (R): The troposphere contains most of the water vapour and dust of the atmosphere.

(a) Both A and R are true, and R is the correct explanation of A.
(b) Both A and R are true, but R is not the correct explanation of A.
(c) A is true but R is false.
(d) A is false but R is true.

3. When the price of tomatoes rises sharply, farmers in a district start growing more tomatoes. This behaviour illustrates the: **1**

(a) Law of Demand (b) Law of Diminishing Returns
(c) principle of equilibrium (d) Law of Supply

4. Arrange the following battles in chronological order: (i) Haldighati (ii) Khanua (iii) Talikota (iv) Saraighat. **1**

(a) (ii), (iii), (i), (iv) (b) (i), (ii), (iii), (iv)
(c) (ii), (i), (iii), (iv) (d) (iii), (ii), (iv), (i)

5. The Election Commission of India is a constitutional body set up under Article: **1**

(a) 14 (b) 19 (c) 324 (d) 356

6. A written plan that tries to balance a person's income and expenses is called a: **1**

(a) premium (b) dividend (c) budget (d) mortgage

7. The earliest known evidence of farming and herding in the Indian subcontinent (about 7000 BCE) comes from: **1**

(a) Mehrgarh (b) Lothal (c) Kalibangan (d) Uttaramerur

8. Cuneiform, a wedge-shaped script written on clay tablets, was developed in: **1**

(a) the Indus valley
(b) ancient Egypt
(c) the Yellow River valley
(d) Mesopotamia (Sumer)

9. Read the statements and choose the correct option. **1**

Statement 1: Government refers to the institutions and authorities that exercise political power.
Statement 2: Governance and government mean exactly the same thing and can be used interchangeably.

(a) Both statements are correct
(b) Statement 1 is correct, Statement 2 is incorrect
(c) Statement 1 is incorrect, Statement 2 is correct
(d) Both statements are incorrect

10. Which of the following is NOT one of the four seasons recognised by the India Meteorological Department? **1**

(a) Winter
(b) Spring
(c) South-west monsoon
(d) Post-monsoon

11. Small forest patches protected by local communities for religious and cultural reasons are known as: **1**

(a) biosphere reserves
(b) sacred groves
(c) national parks
(d) game reserves

12. The principle that everyone, including the rulers, must obey the same laws is called: **1**

(a) popular sovereignty
(b) separation of powers
(c) rule of law
(d) universal franchise

OR

Explain three differences between weather and climate.

28. Distinguish between saving and investing. Why does investing protect the value of money against inflation? Use an example. **3**

29. Explain any three functions of the Election Commission of India. **3**

SECTION D — Long Answer Type — 4 questions · 20 marks

Each question carries 5 marks. Answer in about 120 words. (4 × 5 = 20)

30. ‘Every economy must answer three central questions.’ Name them and show how a market economy, a planned economy and a mixed economy answer them. **5**

OR

A farmer can grow wheat or barley on one plot. With the help of a table or diagram, explain the Production Possibility Curve and the idea of opportunity cost.

31. Explain with examples how the ocean floor and the movement of ocean water influence human life and the environment. **5**

OR

Describe how the Indian Tsunami Early Warning Centre and other early warning systems protect coastal communities. Mention any four elements.

32. Describe the rise of the Magadha mahājanapada and the structure of Mauryan administration. **5**

OR

Explain how the Saptāṅga ideal of state and the concept of dharma shaped ancient Indian kingship.

33. What is e-governance? Explain how it helps good governance and mention two limitations. **5**

OR

'Public policy is a continuous cycle.' Explain the stages of the policy process using the example of upgrading a hospital to make it accessible.

SECTION E — Source-based / Case-based Questions — 3 questions · 12 marks

Each question carries 4 marks (1 + 1 + 2). (3 × 4 = 12)

34. *Read the passage carefully and answer the questions that follow.*

"India has a tropical monsoon climate. Most of the annual rainfall in the country comes from the south-west monsoon winds that blow from the sea towards the land between June and September. The retreating monsoon in autumn gives rainfall to the south-eastern coast. Farmers plan sowing according to the arrival of the monsoon, and delay or failure of the rains can affect crops, prices and even the country's economy."

(i) Which wind system brings most of India's rainfall? 1

(ii) Name the IMD season that follows the south-west monsoon. 1

(iii) Why is the monsoon often called the 'real finance minister' of India? Explain in two points. 2

35. *Read the passage carefully and answer the questions that follow.*

"The National Education Policy 2020 was not drafted overnight. A committee of experts chaired by Dr K. Kasturirangan studied the issue. The draft was shared with the public, and consultations were held with 2.5 lakh Gram Panchayats, 6,600 blocks, 6,000 urban local bodies and 676 districts. About 2 lakh suggestions were received and many were incorporated before the Union Cabinet approved the policy."

(i) Who chaired the expert committee that prepared the draft policy? 1

(ii) About how many suggestions were received from the public? 1

(iii) How does this example show that public policy is made through a process of consultation and not by a single decision? 2

36. *Read the passage carefully and answer the questions that follow.*

"The Right to Information Act, passed in 2005, allows any citizen to request information from public authorities. Officials must respond within a fixed time. The Act has been used by villagers to check ration records, by students to know their examination results and by citizens to ask how public money is spent. By making government work visible, it makes officials answerable to the people."

(i) In which year was the RTI Act passed? 1

(ii) Name one thing citizens have used RTI to find out. 1

(iii) Explain how the RTI Act strengthens democracy. Give two points. 2

SECTION F — Map-based Question — 1 questions · 5 marks

(1 × 5 = 5)

37. On the outline map of India provided, locate and label any **five** of the following (use the given letter/number for each): *Attempt any five. Each item carries 1 mark.* **5**

A. Haldighati (battle site)
B. Guwahati (near Saraighat)
C. Hampi (Vijayanagara)
D. Amritsar (Harmandir Sahib)
E. Lothal (Harappan site)
F. Thenmala (first planned ecotourism site)

Note — in lieu of Q.37, for visually impaired candidates only (answer any five):

1. Name the State/UT in which Haldighati is located.
2. Name the State/UT in which Guwahati is located.
3. Name the State/UT in which Hampi is located.
4. Name the State/UT in which Amritsar is located.
5. Name the State/UT in which Lothal is located.
6. Name the State/UT in which Thenmala is located.
