SECTION E — Source-based / Case-based Questions — 3 questions · 12 marks

Each question carries 4 marks (1 + 1 + 2). (3 × 4 = 12)

34. *Read the passage carefully and answer the questions that follow.*

"The Rig Veda mentions the sabhā and samiti, assemblies where matters of governance and welfare were discussed. In later centuries, large states emerged. A king was expected to protect his people, deliver justice and rule according to dharma. Inscriptions from Uttaramerur in Tamil Nadu show that even a village had written rules about who could contest elections to its council and for how long."

(i) Name the two assemblies mentioned in the Rig Veda. 1

(ii) Which State is Uttaramerur in? 1

(iii) Explain how this passage shows that local self-government existed in ancient India. 2

35. *Read the passage carefully and answer the questions that follow.*

"A, B and C are three neighbouring farmers. In a year of heavy rainfall, the market price of wheat fell from ₹24 per kg to ₹18 per kg. The government announced that it would buy wheat at a minimum price of ₹22 per kg from farmers. A grain trader said, 'If the government did not do this, many farmers would shift to growing other crops next season.'"

(i) Which type of government intervention is the announced minimum price? 1

(ii) What happens to quantity supplied in the next season if the price remains low? 1

(iii) Explain why governments sometimes need to intervene in markets. Give two reasons. 2

36. *Read the passage carefully and answer the questions that follow.*

"Ravi and his two friends run a small cookie business as a teen enterprise. In March, their sales brought in ₹1,50,000. Expenses on ingredients, packaging, rent of a kitchen, salaries of two helpers and advertising came to ₹1,05,000. They kept a record of all money coming in and going out in a profit and loss account."

(i) Write the formula for profit. 1

(ii) Calculate Ravi's profit for March. 1

(iii) Name the functional area of business that keeps these records and explain two ways in which it helps the business. 2

SECTION F — Map-based Question — 1 questions · 5 marks

(1 × 5 = 5)

37. On the outline map of India provided, locate and label any **five** of the following (use the given letter/number for each): *Attempt any five. Each item carries 1 mark.* **5**

A. Chittorgarh (Chittor Fort)
B. Panipat
C. Gingee (Senji) Fort
D. Warangal (Kākatīya capital)
E. Pātaliputra (modern Patna)
F. Kalibangan (Harappan site)

Note — in lieu of Q.37, for visually impaired candidates only (answer any five):

1. Name the State/UT in which Chittorgarh is located.
2. Name the State/UT in which Panipat is located.
3. Name the State/UT in which Gingee Fort is located.
4. Name the State/UT in which Warangal is located.
5. Name the State/UT in which Pātaliputra is located.
6. Name the State/UT in which Kalibangan is located.
