OR

'A business plan is a dynamic roadmap.' Explain the components of a business plan for a new startup and state when it may need to be changed.

SECTION E — Source-based / Case-based Questions — 3 questions · 12 marks

Each question carries 4 marks (1 + 1 + 2). (3 × 4 = 12)

34. *Read the passage carefully and answer the questions that follow.*

"The Sindhu–Sarasvatī (Harappan) civilisation had well-planned cities. Streets were laid out in a grid, houses had covered drains, and bricks were of a standard size. Seals with symbols and weights of uniform sizes suggest organised trade. Traders took goods such as beads and cotton to far regions such as Mesopotamia. However, the script has not yet been deciphered, so much about its rulers and beliefs remains unknown."

(i) Name any one feature of town planning at Harappan sites. 1

(ii) What do uniform weights and seals indicate? 1

(iii) Why is our understanding of Harappan society incomplete? Give two reasons. 2

35. *Read the passage carefully and answer the questions that follow.*

"Bhavisha and Dhruv each save ₹1,000 every year and earn 7% annual returns. Bhavisha begins saving at 25 and Dhruv at 35. At 65, Dhruv has only about 40% as much money as Bhavisha. Meanwhile, a school bag that costs ₹1,000 today will cost about ₹1,060 next year if inflation is 6% per year."

(i) Name the principle that explains why Bhavisha has more money. 1

(ii) What will be the price of the school bag after one year at 6% inflation? 1

(iii) Explain what inflation does to the purchasing power of money kept at home and how investing helps. 2

36. *Read the passage carefully and answer the questions that follow.*

"Elections can be disturbed by false news and attempts to intimidate voters. On the day of a State election, a rumour spread on social media that voting machines were malfunctioning in one district, discouraging many people from going to the polling booths. The Election Commission clarified the matter through press notes and appealed to citizens to vote."

(i) Name the authority that clarified the rumour. 1

(ii) What term is used for deliberately spread false information? 1

(iii) Explain two ways in which citizens can protect elections from misinformation. 2

SECTION F — Map-based Question — 1 questions · 5 marks

(1 × 5 = 5)

37. On the outline map of India provided, locate and label any **five** of the following (use the given letter/number for each): *Attempt any five. Each item carries 1 mark.* **5**

A. Raigad Fort (Maratha capital)
B. Mount Abu (near Kasahrada)
C. Hyderabad (INCOIS)
D. Rakhigarhi (Harappan site)
E. Sanchi
F. Nalanda

Note — in lieu of Q.37, for visually impaired candidates only (answer any five):

1. Name the State/UT in which Raigad Fort is located.
2. Name the State/UT in which Mount Abu is located.
3. Name the State/UT in which Hyderabad is located.
4. Name the State/UT in which Rakhigarhi is located.
5. Name the State/UT in which Sanchi is located.
6. Name the State/UT in which Nalanda is located.
