Explain the roles of any five stakeholders in making and implementing public policy with suitable examples.

SECTION E — Source-based / Case-based Questions — 3 questions · 12 marks

Each question carries 4 marks (1 + 1 + 2). (3 × 4 = 12)

34. *Read the passage carefully and answer the questions that follow.*
"Sita has ₹300 to spend this month on notebooks or a visit to a science fair; she cannot afford both. Her neighbour Ali thinks she should buy notebooks because they are a need. A third friend, Dev, feels the fair is a want but will give her new ideas. Each of them prefers a different choice because every choice leaves something else unfulfilled."

(i) Name the basic economic problem that makes Sita choose. 1

(ii) Identify the need and the want in the passage. 1

(iii) Define opportunity cost and state Sita's opportunity cost if she goes to the fair. 2

35. *Read the passage carefully and answer the questions that follow.*
"Thenmala in Kollam district of Keralam is India's first planned ecotourism destination. It lies in the Western Ghats, a UNESCO World Heritage Site. The project was developed jointly by the Tourism, Forest and Irrigation Departments. Local inhabitants are employed as guides, eco-guards and service providers, so that the benefits of tourism are shared. It combines recreation, environmental education and conservation."

(i) Name the mountain range in which Thenmala is located. 1

(ii) Name any two departments that developed the project. 1

(iii) Explain how ecotourism differs from mass tourism and why Thenmala is called a model. 2

36. *Read the passage carefully and answer the questions that follow.*
"In the Uttaramerur village of the Chola period, officials had to be chosen by drawing lots from eligible candidates, who had to meet qualifications of age, property and honest conduct. People who had held office could not stand again for some years. Written rules ensured that the village council worked in a regular, accountable manner."

(i) Which dynasty ruled during the period mentioned? 1

(ii) What was the method of choosing officials? 1

(iii) State two rules that made the village council accountable. 2

SECTION F — Map-based Question — 1 questions · 5 marks

(1 × 5 = 5)

37. On the outline map of India provided, locate and label any **five** of the following (use the given letter/number for each): *Attempt any five. Each item carries 1 mark.* **5**

A. Udaipur (Mewar)
B. Kanchipuram
C. Udhagamandalam (Nilgiri Hills)
D. Rann of Kutch (salt desert)
E. Sohra (Cherrapunji)
F. Ujjain

Note — in lieu of Q.37, for visually impaired candidates only (answer any five):

1. Name the State/UT in which Udaipur is located.
2. Name the State/UT in which Kanchipuram is located.
3. Name the State/UT in which Udhagamandalam is located.
4. Name the State/UT in which Rann of Kutch is located.
5. Name the State/UT in which Sohra is located.
6. Name the State/UT in which Ujjain is located.
