THE MASTERMIND COACHING CLASSES

CBSE / RBSE · Nursery – Class XII · Road No. 5, VKIA, Jaipur · 9887258679

CLASS IX — SOCIAL SCIENCE · MID-TERM / FULL SYLLABUS PRACTICE PAPER

Session 2026-27 · CBSE / RBSE Pattern · Set 05

Class: 9	Subject: Social Science	Set 05	Time: 3 Hours	Max. Marks: 80

General Instructions:

1. This question paper contains 37 questions. All questions are compulsory.
2. The paper is divided into SIX sections — A, B, C, D, E and F.
3. Section A — Q.1–20 are multiple-choice questions of 1 mark each.
4. Section B — Q.21–24 are Very Short Answer (VSA) questions of 2 marks each (about 40 words); there is internal choice in 1 question.
5. Section C — Q.25–29 are Short Answer (SA) questions of 3 marks each (about 60 words); there is internal choice in 1 question.
6. Section D — Q.30–33 are Long Answer (LA) questions of 5 marks each (about 120 words); internal choice is given in all four questions.
7. Section E — Q.34–36 are case/source-based questions of 4 marks each with sub-parts of 1, 1 and 2 marks.
8. Section F — Q.37 is a map-skill question of 5 marks.
9. A separate set of questions in lieu of the map question is given for visually impaired candidates only.
10. Write the question number before each answer.

SECTION A — Multiple Choice Questions — 20 questions · 20 marks

Select the most appropriate option. (20 × 1 = 20)

1. Which of the following is an example of an igneous rock? **1**

(a) Granite (b) Limestone (c) Slate (d) Sandstone

2. A funnel-shaped opening through which lava and gases erupt is a: **1**

(a) glacier (b) volcano (c) meander (d) dune

3. The instrument used to record the intensity of earthquake waves is the: **1**

(a) barometer (b) anemometer (c) hygrometer (d) seismograph

4. **Assertion (A):** The summers in Rajasthan are hotter than in Kerala. **1**
Reason (R): Rajasthan lies far from the moderating influence of the sea.

(a) Both A and R are true, and R is the correct explanation of A.
(b) Both A and R are true, but R is not the correct explanation of A.
(c) A is true but R is false.
(d) A is false but R is true.

5. Read the statements and choose the correct option. **1**
Statement 1: Wind is moving air that flows from a region of high pressure to low pressure.
Statement 2: The monsoon winds blow from the land to the sea in summer.

(a) Both statements are correct
(b) Statement 1 is correct, Statement 2 is incorrect
(c) Statement 1 is incorrect, Statement 2 is correct
(d) Both statements are incorrect

6. Humidity refers to the amount of _____ in the air. **1**

(a) water vapour (b) nitrogen (c) dust (d) carbon dioxide

7. The word ‘economics’ is derived from the Greek word oikonomia, which means: **1**

(a) wealth of nations (b) market place
(c) household management (d) trade

8. Which of the following is a need rather than a want? **1**

(a) A video game (b) A branded watch
(c) Drinking water (d) A holiday abroad

9. **Assertion (A):** India is called a mixed economy. **1**
Reason (R): Both the government and private enterprises take economic decisions in India.
(a) Both A and R are true, and R is the correct explanation of A.
(b) Both A and R are true, but R is not the correct explanation of A.
(c) A is true but R is false.
(d) A is false but R is true.

10. In a perfectly planned economy, the biggest drawback is: **1**
(a) little incentive for efficiency and innovation
(b) too much competition
(c) high consumer choice
(d) excess supply always

11. Which of the following leads to a rightward shift of the demand curve of a normal good? **1**
(a) A rise in its price (b) A fall in income
(c) A fall in the number of consumers (d) A rise in the consumers' income

12. A good whose use by one person does not reduce its availability to others is: **1**
(a) rivalrous (b) non-rivalrous (c) inferior (d) luxury

13. Which one of the following is a feature of the Indus script? **1**
(a) It is written like Brahmi (b) It is still undeciphered
(c) It is alphabetic like English (d) It uses cuneiform wedges

14. The Rigveda is divided into: **1**
(a) cantos (b) volumes (c) mandalas (d) pitakas

15. Which Harappan site has a unique system of water conservation and is a UNESCO World Heritage Site? **1**
(a) Dholavira (b) Rakhigarhi (c) Banawali (d) Ropar

16. The sixteen large states of north India around 600 BCE were called: **1**
(a) Mandalas (b) Subas (c) Janapadas only (d) Mahajanapadas

17. Which dynasty founded by Pulakeshin I ruled from Badami? **1**
(a) Pallava (b) Pala (c) Rashtrakuta (d) Chalukya

18. Universal adult franchise in India is guaranteed to citizens aged: **1**
(a) 21 years and above (b) 18 years and above
(c) 25 years and above (d) 16 years and above

19. Reserved constituencies in India are meant for: **1**
(a) women only (b) minorities only
(c) Scheduled Castes and Scheduled Tribes (d) senior citizens

20. 'NOTA' in electronic voting machines stands for: **1**
(a) None of the Above (b) No Option To Act
(c) Not On The Agenda (d) Nominated Officials To Assembly

SECTION B — Very Short Answer Type — 4 questions · 8 marks

Each question carries 2 marks. Answer in about 40 words. (4 × 2 = 8)

21. Distinguish between igneous and sedimentary rocks. **2**

22. What is a ‘public good’? Give two examples. **2**

OR

What is meant by ‘equilibrium price’?

23. Name any two Neolithic inventions that changed human life. **2**

24. Why are free and fair elections essential for a democracy? **2**

SECTION C — Short Answer Type — 5 questions · 15 marks

Each question carries 3 marks. Answer in about 60 words. (5 × 3 = 15)

25. Explain the process of weathering and its types. **3**

26. What are the different types of rainfall? Explain any one. **3**

27. Explain opportunity cost with the help of an example of a farmer deciding between two crops. **3**

28. Describe any three contributions of the Pallavas to art and architecture. **3**

OR

Describe any three contributions of the Chalukyas to art and architecture.

29. List any three functions of the Election Commission of India. **3**

SECTION D — Long Answer Type — 4 questions · 20 marks

Each question carries 5 marks. Answer in about 120 words. (4 × 5 = 20)

30. Explain the origin and effects of earthquakes. How are they measured? **5**

OR

Describe the formation of the three types of rocks and the rock cycle.

31. Explain the problem of scarcity and how the three central economic questions arise from it. **5**

OR

How do changes in price and in other factors affect supply? Explain with examples.

32. Describe the main features of the Mauryan empire under Chandragupta and Ashoka. **5**

OR

Describe the achievements of the Gupta rulers in science, art and literature.

33. What are the merits and limitations of the First-Past-the-Post system? Compare it with proportional representation. **5**

OR

Describe the role of the Election Commission in conducting free and fair elections.

SECTION E — Source-based / Case-based Questions — 3 questions · 12 marks

Each question carries 4 marks (1 + 1 + 2). (3 × 4 = 12)

34. *Read the passage carefully and answer the questions that follow.*

> “Monsoon winds reverse their direction with the seasons. In summer the land becomes much hotter than the sea, creating a low-pressure area over northern India. Moist south-west winds blow from the Indian Ocean towards the land and bring heavy rainfall between June and September. In winter, the land cools quickly and the winds blow from the land to the sea, which is why most of India remains dry in these months, except the Coromandel coast.”

(i) In which months does the south-west monsoon bring heavy rain to India? 1

(ii) Why does a low-pressure area form over northern India in summer? 1

(iii) Explain why winter winds in India are mostly dry. 2

35. *Read the passage carefully and answer the questions that follow.*

"In the market for vegetables, the price of tomatoes rose sharply after heavy rains damaged the crop. As the supply fell, many families reduced the amount of tomatoes they bought, while some switched to other vegetables. A few weeks later, when fresh produce arrived, the price came down and the demand recovered. This shows how prices act as signals in a market."

(i) What caused the price of tomatoes to rise? 1

(ii) Name the law that explains why families bought less at a higher price. 1

(iii) How do prices act as signals for buyers and sellers? 2

36. *Read the passage carefully and answer the questions that follow.*

"The Right to Information Act, 2005 empowers citizens to seek information from public authorities. Any citizen can file an application, paying a small fee, and the authority must give the information within 30 days. The Act promotes transparency and accountability in government, and has been used by ordinary citizens to expose corruption and improve public services such as ration distribution."

(i) When was the RTI Act passed? 1

(ii) Within how many days must the public authority usually reply? 1

(iii) How does the RTI Act strengthen democracy? 2

SECTION F — Map-based Question — 1 questions · 5 marks

(1 × 5 = 5)

37. On the outline map of India provided, locate and label any **five** of the following (use the given letter/number for each): *Attempt any five. Each item carries 1 mark.* **5**

A. Dholavira (Harappan site)
B. Delhi
C. Hallur (Neolithic site)
D. Madurai (Pandya kingdom)
E. Kaushambi (Vatsa Mahajanapada)
F. Girnar / Junagadh (Ashokan rock edict)

Note — in lieu of Q.37, for visually impaired candidates only (answer any five):

1. Name the State/UT in which Dholavira is located.
2. Name the State/UT in which Delhi is located.
3. Name the State/UT in which Hallur is located.
4. Name the State/UT in which Madurai is located.
5. Name the State/UT in which Kaushambi is located.
6. Name the State/UT in which Girnar / Junagadh is located.
