(d) only displayed slides without doing a real experiment

SECTION — B (Extract-based Questions) — 4 Marks

Read the extract / situation and answer all the questions that follow.

7. *Read the following extract and answer the questions that follow.* 4

> In the seventh grade, Ebright entered a county science fair with slides of frog tissues and lost. He felt sad, but realised the winners had done real experiments instead of making a neat display. He decided to do real experiments the next year. He wrote to Dr Urquhart for ideas, and these kept him busy throughout high school.

(i) What did Ebright display at the fair? 1

(ii) Why did he lose? 1

(iii) What did he decide? 1

(iv) Whom did he write to for ideas? 1

SECTION — C (Short Answer Type) — 4 Marks

Answer in about 30–40 words each.

8. What did Ebright learn from his failure at the science fair? 2

9. What was the purpose of the gold spots on the monarch pupa? 2

SECTION — D (Long Answer Type) — 6 Marks

Answer in about 80–100 words each.

10. Describe Ebright's discovery and theory. 3

OR

What role did Dr Urquhart play in Ebright's life? 3

11. How was Ebright as a student? 3

OR

Why is the lesson titled 'The Making of a Scientist'? 3

END OF QUESTION PAPER — Total: 20 Marks
