3	Punctuality means doing things at the right time. A punctual person is respected and trusted. Time lost is never regained, and a student who finishes tasks on time has leisure for sports and hobbies. Punctuality also reduces stress, as one need not hurry at the last minute. In business and public life, being late can cause loss and annoyance to others. Great persons such as Mahatma Gandhi were extremely punctual. We should therefore make a habit of keeping time from childhood. *(Content 2 · Organisation 1 · Language 1)*	4
	OR: A balanced diet contains the right amounts of carbohydrates, proteins, fats, vitamins and minerals. It gives energy, builds the body and fights disease. Fruits, vegetables, pulses, milk and cereals should form a part of the daily meal. Junk food, which has too much oil and sugar, causes obesity and tiredness. Drinking enough water is equally important. Students, who need energy to study and play, should avoid skipping breakfast. A healthy diet today is the foundation of a healthy life tomorrow. *(Content 2 · Organisation 1 · Language 1)*	4
