1	6, Ratanada Jodhpur 10 November 2026 The Principal Mastermind Public School Jodhpur Subject: Request for extra Mathematics classes Respected Sir/Madam, I am a student of Class 10-B. Many of us find Mathematics difficult because the syllabus is long and class time is short. With the board examination approaching, we need more practice and individual attention. I request you to arrange extra classes in the afternoon for weaker students. We shall be thankful to you for this kind help. Yours obediently, Amit/Amita Class 10-B	5
	OR: Mastermind Public School Jaipur 15 November 2026 The Director Skill Plus Institute Jaipur Subject: Enquiry about the spoken English course Sir/Madam, I have read your advertisement in 'The Daily Pioneer' regarding a summer course in spoken English. Kindly send me details of the course, including the fees, the duration, the timing of classes and the qualification of the teachers. Please also let me know if any discount is given to school students and if a certificate is awarded at the end. I shall be thankful for an early reply. Yours faithfully Seema/Sameer *(Format 1 · Content 2 · Organisation 1 · Language 1)*	5
2	The table shows the number of tourists visiting a heritage city in three years. Indian visitors rose from 300 thousand in 2022 to 450 thousand in 2024, an increase of 150 thousand. Foreign visitors grew even faster, from 40 to 110 thousand, which is almost three times. The rising trend suggests that the city is becoming more popular. To sustain this growth, the authorities must improve hotels, roads and cleanliness, provide trained guides and protect monuments from damage. Tourism can then become an important source of income for local people. *(Content 2 · Organisation 1 · Analysis/Interpretation 1 · Language 1)*	5
	OR: The table shows the percentage of students opting for different streams after Class 10. Almost half the students, 48 per cent, choose Science, followed by Commerce with 30 per cent. Arts attracts 17 per cent, and vocational courses only 5 per cent. This shows that most students prefer the traditional streams and that vocational training is not very popular. Career counselling in schools can make students aware of the range of options, such as skills-based courses that lead to early employment. Choices should be based on interest and ability and not on peer pressure. *(Content 2 · Organisation 1 · Analysis/Interpretation 1 · Language 1)*	5
