ANSWER KEY & MARKING SCHEME SET 08

Writing Skills & Grammar | Class 10 English | Maximum Marks: 20

SECTION — A — Answers — 10 Marks

Q.	Expected Answer / Value Points	Marks
1	21, Shiv Colony Udaipur 10 November 2026 The Manager Gyan Book Depot Udaipur Subject: Order for books Sir, Kindly send me by VPP the following books: (1) Oxford English Dictionary — 1 copy; (2) Class 10 Mathematics Guide — 2 copies; (3) Science Practice Papers — 1 copy. Please send them within a week. Discount as admissible may be allowed. I shall pay the amount on delivery. Yours faithfully, Raman/Ramya	5
	OR: 8, Shiv Colony Udaipur 18 November 2026 The Editor The Lake City Herald Udaipur Subject: Menace of stray cattle Sir/Madam, Through your newspaper I wish to draw the attention of the authorities to the growing number of stray cattle on the roads of Shiv Colony. They block traffic and cause accidents, and even children have been injured. I suggest that the municipal corporation set up more shelters, penalise owners who leave animals on the roads and arrange for the collection of leftover food and plastic that the animals eat. Citizens should also not throw waste on the roadside. I hope immediate action will be taken. Yours faithfully Lata/Lalit *(Format 1 · Content 2 · Organisation 1 · Language 1)*	5
2	The table gives the waste generated by a school in a week, 250 kg in all. Paper forms the largest part at 120 kg, nearly half the total. Food waste is 60 kg and plastic is 40 kg, while other items make up 30 kg. Since paper is recyclable, the school can reduce waste by collecting and selling it to recyclers and by using both sides of sheets. Food waste can be converted into compost for the school garden, and the use of plastic can be restricted. These measures will reduce expenditure and teach students to respect the environment. *(Content 2 · Organisation 1 · Analysis/Interpretation 1 · Language 1)*	5
	OR: The table relates weekly practice to the medals won by four schools. School A, which practises for 12 hours a week, won nine medals, while School D with only three hours won one. The medals increase steadily with the number of hours, which suggests that regular practice leads to success. However, the data cover only four schools and do not show the quality of coaching or facilities. Schools that wish to do well should schedule at least ten hours of practice a week, appoint trained coaches and provide good equipment. *(Content 2 · Organisation 1 · Analysis/Interpretation 1 · Language 1)*	5

SECTION — B — Answers — 10 Marks

Q.	Expected Answer / Value Points	Marks
3	has been singing.	1
4	should.	1
5	the.	1
6	The teacher said that the earth moves round the sun.	1
