ANSWER KEY & MARKING SCHEME SET 09

Writing Skills & Grammar | Class 10 English | Maximum Marks: 20

SECTION — A — Answers — 10 Marks

Q.	Expected Answer / Value Points	Marks
1	9, Adarsh Nagar Alwar 10 November 2026 The Principal Mastermind Public School Alwar Subject: Request for Transfer Certificate Respected Sir/Madam, I am a student of Class 10-A. My father has been transferred to Jaipur and our family is moving there next week. I request you to issue my Transfer Certificate and the report card so that I can take admission in a new school. I shall be thankful. Yours obediently, Naveen/Navita Class 10-A, Roll No. 15	5
	OR: 7, Adarsh Nagar Alwar 20 November 2026 The Librarian City Public Library Alwar Subject: Application for part-time library assistant Sir/Madam, With reference to your advertisement in 'The Rajasthan Patrika' dated 18 November 2026, I wish to apply for the post of part-time library assistant. I am a student of Class 10 and have secured 85 per cent marks in Class 9. I am a regular reader and have been the library prefect of my school for a year. I am available after 4 p.m. and on holidays. I assure you of sincere and careful work. I shall be happy to appear for an interview at any time. Yours faithfully Madhu/Manoj *(Format 1 · Content 2 · Organisation 1 · Language 1)*	5
2	The table gives the reasons why 100 students use their phones in class. Messaging friends tops the list with 40 students, followed by playing games with 30. Only 20 students use the phone to look up information, and 10 for emergency calls. Thus 70 per cent of the use is purely for entertainment and not related to study. This shows that phones can be a source of distraction in the classroom. Schools may require phones to be deposited at the entrance and permit supervised use for educational purposes. Students should realise that attention during lessons is essential to success. *(Content 2 · Organisation 1 · Analysis/Interpretation 1 · Language 1)*	5
	OR: The table gives the rainfall of the three monsoon months in two years. In every month the rainfall in 2023 exceeded that of 2022. July rose from 180 to 260 mm, August from 220 to 300 mm and September from 100 to 140 mm. August received the highest rainfall in both years. The total for 2022 was 500 mm against 700 mm in 2023, an increase of 40 per cent. Such a rise is good for farmers but may also cause floods if drainage is poor. The district should clean drains, build check dams and store the rainwater for the dry months. *(Content 2 · Organisation 1 · Analysis/Interpretation 1 · Language 1)*	5

SECTION — B — Answers — 10 Marks

Q.	Expected Answer / Value Points	Marks
3	shall meet / will meet.	1
