ANSWER KEY & MARKING SCHEME SET A

Geography Chapter 7: **Lifelines of National Economy** | Class 10 Social Science | Maximum Marks: 40

SECTION — A (Objective Type) — Answers — 10 × 1 = 10

Q.	Correct Option	Brief Reasoning
1	**(a)** 62.16 lakh km	2020–21
2	**(b)** Silchar and Porbandar	Part of Golden Quadrilateral project
3	**(b)** pipeline	Low running cost
4	**(c)** Visakhapatnam	Iron ore outlet
5	**(a)** Both A and R are true and R is the correct explanation of A	Merits of roads
6	**(b)** 1853	34 km
7	**(a)** Prayagraj and Haldia	1620 km
8	**(a)** Mormugao	About 50% of iron ore export
9	**(c)** 1960	Strategic roads
10	**(b)** favourable balance of trade	Trade

SECTION — B (Very Short Answer) — Answers — 4 × 2 = 8

Q.	Expected Answer / Value Points	Marks
11	Construction cost lower than railways; can traverse dissected and undulating topography and high gradients; economical for few persons and small amounts of goods over short distances; door-to-door service; feeder to other modes (any two).	2
12	Roads linking a state capital with different district headquarters; constructed and maintained by the State Public Works Department.	2
13	Exchange of goods among people, states and countries; international trade is between two countries, local trade is carried on in cities, towns and villages.	1+1
14	Big rivers, dissected relief, dense forests, frequent floods and international frontiers make surface transport difficult.	2

SECTION — C (Short Answer) — Answers — 4 × 3 = 12

Q.	Expected Answer / Value Points	Marks
15	Constructed and maintained by the Border Roads Organisation (1960) in bordering areas; strategic importance in northern and north-eastern border areas; improved accessibility in difficult terrain; economic development of these areas; e.g. Atal Tunnel connects Manali to Lahul-Spiti throughout the year.	1+1+1
16	In the northern plains — vast level land, high population density and rich agricultural resources favour railways; railways carry bulky goods and passengers over long distances; integrate the country and accelerate industry and agriculture.	3
17	(i) From the oil field in upper Assam to Kanpur (UP) via Guwahati, Barauni and Prayagraj, with branches to Haldia, Maurigram and Siliguri (ii) From Salaya (Gujarat) to Jalandhar (Punjab) via Viramgam, Mathura, Delhi and Sonipat, with branches to Koyali and Chakshu (iii) Hazira–Vijaipur–Jagdishpur (HVJ) gas pipeline linking Mumbai High and Bassein gas fields with fertilizer, power and industrial complexes.	3
	OR: Six-lane highways linking Delhi–Kolkata–Chennai–Mumbai–Delhi; North–South corridor (Srinagar–Kanniyakumari) and East–West corridor (Silchar–Porbandar); reduce time and distance between mega cities; implemented by NHAI.	3
18	Many passengers travel without tickets; thefts and damage to railway property; people stop trains and pull chains unnecessarily, causing heavy damage; difficult terrain — rivers, hills, deserts, swamps, forests; Konkan railway faces sinking of tracks and landslides.	3
	OR: Tourism earns foreign exchange; promotes national integration; supports local handicrafts and cultural pursuits; helps international understanding of our culture and heritage; schemes — Swadesh Darshan 2.0, Vibrant Village Programme, PRASHAD, Paryatan Mitra.	3

SECTION — D (Long Answer) — Answers — 2 × 5 = 10

Q.	Expected Answer / Value Points	Marks

19	Movement of goods and services from supply to demand locations; transport, communication and trade complementary; integrate a vast diverse country; help production and distribution; agriculture and industry depend on them; connect India with the world; railways an integrating force; roads, pipelines, waterways, airways; communication — post, telecom, mass media; international trade is the economic barometer.	5
	OR: Golden Quadrilateral Super Highways — six-lane, NHAI; National Highways — primary road system linking extreme parts, north-south and east-west; State Highways — state capital to district HQs; District Roads — district HQ to other places; Other Roads — rural roads, Pradhan Mantri Grameen Sadak Yojana; Border Roads — BRO since 1960 in strategic areas.	5
20	West: Deendayal (Kandla) — first port after Independence, tidal; Mumbai — biggest, natural harbour; Jawaharlal Nehru — to decongest Mumbai; Mormugao — iron ore (50 per cent of exports); New Mangalore — Kudremukh ore; Kochi — natural harbour at lagoon entrance. East: V.O. Chidambaranar (Tuticorin) — natural harbour; Chennai — oldest artificial port; Visakhapatnam — deepest landlocked; Paradwip — iron ore; Kolkata (Shyama Prasad Mookerjee) — inland riverine, needs dredging; Haldia — subsidiary.	5
	OR: Trade relations with all major blocks; exports — gems and jewellery, chemicals, agriculture and allied products; imports — petroleum, gems and jewellery, chemicals, base metals, electronics, machinery; India a software giant earning foreign exchange through IT exports; 95 per cent of trade volume by sea; balance of trade; tourism as trade.	5

Evaluator's note: Award step marks as shown; accept any correct alternative method. In internal-choice questions, evaluate only the option attempted. Deduct up to ½ mark for missing units or figures where required.

Road No. 5, VKIA, Jaipur — 9887258679

ANSWER KEY & MARKING SCHEME SET B

Geography Chapter 7: **Lifelines of National Economy** | Class 10 Social Science | Maximum Marks: 40

SECTION — A (Objective Type) — Answers — 10 × 1 = 10

Q.	Correct Option	Brief Reasoning
1	**(c)** railways	Largest public sector undertaking
2	**(c)** international trade	Exchange of goods
3	**(b)** Kanniyakumari	Golden Quadrilateral project
4	**(a)** 17	Railway zones
5	**(a)** Both A and R are true and R is the correct explanation of A	Water transport
6	**(c)** Deendayal Port (Kandla)	Loss of Karachi
7	**(c)** Kolkata (Shyama Prasad Mookerjee)	Hoogly
8	**(a)** regional air connectivity	Ude Desh ka Aam Nagrik
9	**(b)** Lahul-Spiti valley	Built by BRO
10	**(a)** Mumbai	West coast

SECTION — B (Very Short Answer) — Answers — 4 × 2 = 8

Q.	Expected Answer / Value Points	Marks
11	It rules out trans-shipment losses and delays; initial cost high but running costs minimal; can transport liquids, gases and slurry; made far inland refineries possible.	2
12	A scheme under which every village is to be linked to a major town by an all-season motorable road.	2
13	Rajdhani Channel, Metro Channel, Green Channel, Business Channel, Bulk Mail Channel and Periodical Channel.	2
14	The difference between a country's exports and imports.	2

SECTION — C (Short Answer) — Answers — 4 × 3 = 12

Q.	Expected Answer / Value Points	Marks
15	Physiographic, economic and administrative factors; northern plains — level land, high population, rich agriculture favoured railways; obstacles — wide river beds needing bridges; peninsular hills crossed through gaps or tunnels; Himalayas unfavourable due to high relief, sparse population; sandy plains of Rajasthan, swamps of Gujarat, forests of MP, Chhattisgarh, Odisha, Jharkhand difficult; Sahyadri crossed through ghats.	3
16	Fastest, most comfortable and prestigious mode; covers difficult terrains like mountains, deserts, forests and oceans; helps north-eastern states; Pawan Hans Helicopters serves ONGC offshore operations and inaccessible areas; UDAN promotes regional connectivity and affordable flights.	3
17	NW-1: Ganga between Prayagraj and Haldia (1620 km); NW-2: Brahmaputra between Sadiya and Dhubri (891 km); NW-3: West-Coast Canal in Kerala (Kottapuram–Kollam, Udyogamandal and Champakkara canals — 205 km); NW-4: Godavari and Krishna stretches with Kakinada–Puducherry canals (1078 km); NW-5: Brahmani, Matai, Mahanadi delta channels and East Coast Canal (588 km).	3
	OR: Provides entertainment and creates awareness about national programmes and policies; includes radio (All India Radio), television (Doordarshan), newspapers in about 100 languages, magazines, books and films; India is the largest producer of feature films.	3
18	An umbrella programme to prepare India for a knowledge-based transformation; focuses on making technology central to enabling change; IT (Indian Talent) + IT (Information Technology) = IT (India Tomorrow).	3
	OR: Developed along the west coast; facilitates movement of passengers and goods in this most important economic region; crosses rugged terrain; faces problems like sinking of tracks and landslides.	3

SECTION — D (Long Answer) — Answers — 2 × 5 = 10

Q.	Expected Answer / Value Points	Marks
19	Second largest network; roads preceded railways; reasons — lower construction cost, traverse dissected and undulating topography, negotiate high gradients and mountains, economical for few persons and small goods over short distances, door-to-door service lowers loading and unloading cost, feeder to railways, airports and seaports; metalled and unmetalled roads; PMGSY; BRO.	5

	OR: Personal and mass communication; Indian postal network largest in the world — first-class mail airlifted, second-class by surface, six mail channels; telecom network one of largest in Asia, STD facility in villages, uniform rates — space and communication technology; mass media — AIR, Doordarshan, newspapers, films; CBFC certifies films; Digital India.	5
20	Twelve major and 200 notified non-major ports; major ports handle 95 per cent of foreign trade; coastline 11098.81 km; west and east coast ports with features (Kandla, Mumbai, JNPT, Mormugao, New Mangalore, Kochi, Tuticorin, Chennai, Visakhapatnam, Paradwip, Kolkata, Haldia).	5
	OR: Grown remarkably; foreign exchange; national integration; support to local handicrafts and culture; international understanding; employment; types — heritage, eco, adventure, cultural, medical and business tourism; schemes — Swadesh Darshan 2.0, Vibrant Village Programme, PRASHAD, Paryatan Mitra.	5

Evaluator's note: Award step marks as shown; accept any correct alternative method. In internal-choice questions, evaluate only the option attempted. Deduct up to ½ mark for missing units or figures where required.
