THE MASTERMIND COACHING CLASSES

CBSE / RBSE · Nursery – Class XII · Road No. 5, VKIA, Jaipur · 9887258679

CLASS X — SOCIAL SCIENCE · FULL SYLLABUS PRACTICE PAPER

Session 2026-27 | CBSE / Delhi DoE Mid-Term Pattern

Class: 10	Subject: Social Science	Set 01	Time: 3 Hours	Max. Marks: 80

General Instructions:

1. There are 38 questions in the question paper. All questions are compulsory.
2. The question paper has four sections: Section A – History, Section B – Geography, Section C – Political Science and Section D – Economics.
3. Each section is of 20 marks and has Multiple Choice Questions, Very Short Answer, Short Answer, Long Answer and Case Based questions.
4. Very Short Answer type questions carry two marks each (answer in not more than 40 words). Short Answer type questions carry three marks each (not more than 60 words). Long Answer type questions carry five marks each (not more than 120 words). Case Based questions have three sub-questions and carry 4 marks each (1+1+2).
5. The Map based question carries five marks with two parts – Section A: History (2 marks) and Section B: Geography (3 marks).
6. There is no overall choice. However, an internal choice has been provided in a few questions. Only one of the choices in such questions must be attempted.
7. A separate question has been provided for Visually Impaired candidates in lieu of the map question.

SECTION A — HISTORY — 9 questions · 20 marks

20 marks

1. **Assertion (A):** The Treaty of Vienna (1815) was drawn up to undo most of the changes that had come about in Europe during the Napoleonic Wars. **1**
Reason (R): The Congress of Vienna, hosted by the Austrian Chancellor Duke Metternich, aimed to restore the monarchies overthrown by Napoleon and create a new conservative order in Europe.
(a) Both A and R are true, and R is the correct explanation of A.
(b) Both A and R are true, but R is not the correct explanation of A.
(c) A is true but R is false.
(d) A is false but R is true.

2. Read the statements about the Napoleonic Code and choose the correct option. **1**
Statement I: The Civil Code of 1804 did away with all privileges based on birth.
Statement II: It established equality before the law and secured the right to property.
(a) Both statements are correct
(b) Statement I is correct, Statement II is incorrect
(c) Statement I is incorrect, Statement II is correct
(d) Both statements are incorrect

3. Match Column I with Column II and choose the correct option. **1**

Column I	Column II
1. Gandhi–Irwin Pact	a. 1932
2. Poona Pact	b. 1931
3. Simon Commission arrives in India	c. 1928

(a) 1-b, 2-a, 3-c (b) 1-a, 2-b, 3-c (c) 1-c, 2-a, 3-b (d) 1-b, 2-c, 3-a

4. Which of the following is INCORRECT regarding the Non-Cooperation Movement in the towns? **1**
(a) It began in January 1921 with a boycott of foreign cloth and educational institutions.
(b) Lawyers gave up their legal practices and students left government-controlled schools.
(c) Khadi cloth was cheaper than mill cloth, so the poor readily adopted it.
(d) Council elections were boycotted in most provinces except Madras.

5. State any two contributions of Giuseppe Garibaldi to the unification of Italy. **2**

6. Why did Mahatma Gandhi choose salt as a powerful symbol to unite the nation? Explain with reference to the Salt March. **3**

7. Describe the process of the unification of Germany. **5**

OR

Describe the process of the unification of Italy.

8. Read the source given below and answer the questions that follow.

'The printing press is the most powerful engine of progress and public opinion is the force that will sweep despotism away.' — Louis-Sébastien Mercier, a novelist of eighteenth-century France. Mercier declared that print had made it impossible for the despot to rule over people.

8.1 Who made the statement quoted in the source? 1

8.2 What did Mercier believe about the power of print? 1

8.3 Explain how print popularised the ideas of Enlightenment thinkers. Give any two points. 2

9. On the political outline map of India, two places are marked as A and B. Identify these places and write their names. **2**

i. The place where Gandhiji's first Satyagraha in India (against the indigo planters) was organised in 1917. **(1)**

ii. The place where Gandhiji broke the salt law on 6 April 1930. **(1)**

Note: A separate question is provided for visually impaired candidates: write the name of the State/UT in which each of the above places is located.

Outline map of India (not to scale)

SECTION B — GEOGRAPHY — 11 questions · 20 marks

20 marks

10. **Assertion (A):** Black soil is ideal for growing cotton. **1**

Reason (R): Black soil is made up of extremely fine clayey material, is rich in calcium carbonate, magnesium, potash and lime, and is good at retaining moisture.

(a) Both A and R are true, and R is the correct explanation of A.

(b) Both A and R are true, but R is not the correct explanation of A.

(c) A is true but R is false.

(d) A is false but R is true.

11. Read the statements and choose the correct option. **1**

Statement I: Alluvial soil is the most widespread and important soil of India.

Statement II: It is deposited by three important Himalayan river systems – the Indus, the Ganga and the Brahmaputra.

(a) Both statements are correct

(b) Statement I is correct, Statement II is incorrect

(c) Statement I is incorrect, Statement II is correct

(d) Both statements are incorrect

12. Match Column I with Column II and choose the correct option. **1**

Column I	Column II
1. Mayurbhanj	a. Iron ore
2. Raniganj	b. Coal
3. Digboi	c. Oil

(a) 1-a, 2-b, 3-c (b) 1-b, 2-a, 3-c (c) 1-c, 2-b, 3-a (d) 1-a, 2-c, 3-b

13. Which of the following is an INCORRECT statement about conservation of forests and wildlife? **1**

(a) Conservation preserves ecological diversity and life support systems – water, air and soil.

(b) It preserves genetic diversity of plants and animals for better growth of species and breeding.

(c) Project Tiger was launched in 1973 to protect the tiger population.

(d) Conservation is not needed because India has unlimited biological diversity.

14. Which one of the following is the Kharif crop of India? **1**

(a) Wheat (b) Rice (c) Gram (d) Mustard

15. Which of the following statements correctly describes Mumbai High? **1**

(a) It is the major coal field of western India.

(b) It is an offshore oilfield and the largest oil-producing area of India.

(c) It is a uranium mine in Maharashtra.

(d) It is a hydel power station.

16. Study the following details of a port. It is a tidal port in Gujarat, developed to ease the volume of trade at Mumbai after Partition. Identify it. **1**

(a) Marmagao (b) Kandla (c) Haldia (d) Paradip

17. Why is resource planning essential in a country like India? Give any two reasons. **2**

OR

Explain the interdependent relationship between nature, technology and institutions in the transformation of resources.

18. Describe any three ways in which rainwater harvesting is practised in different parts of India. **3**

19. 'Sustainable economic development means development should take place without damaging the environment.' Explain with reference to the Rio de Janeiro Earth Summit, 1992 and Agenda 21. **5**

OR

Analyse the major problems that have arisen due to indiscriminate use of resources. How can resource planning help in overcoming them?

20. On the same outline map of India provided for Question No. 9, locate and label any **three** of the following with appropriate symbols: **3**

i. The multi-purpose project on the river Mahanadi.
ii. Bhakra Nangal Dam (river Sutlej).
iii. Tehri Dam (river Bhagirathi).
iv. Rana Pratap Sagar Dam (river Chambal).

For visually impaired candidates (in lieu of this question; any three): name the State/UT in which each of the above is located.

SECTION C — POLITICAL SCIENCE — 10 questions · 20 marks

20 marks

21. **Assertion (A):** In a democracy all power does not rest with any one organ of the government. **1**
Reason (R): An intelligent sharing of power among legislature, executive and judiciary is very important to the design of a democracy.

(a) Both A and R are true, and R is the correct explanation of A.
(b) Both A and R are true, but R is not the correct explanation of A.
(c) A is true but R is false.
(d) A is false but R is true.

22. Read the statements in the context of power-sharing and choose the correct option. **1**
Statement I: In Belgium, the Dutch-speaking community is in the majority and the French-speaking community is in the minority in the country as a whole.
Statement II: Sri Lanka adopted a majoritarian policy in 1956 by an Act that made Sinhala the only official language.

(a) Both statements are correct
(b) Statement I is correct, Statement II is incorrect
(c) Statement I is incorrect, Statement II is correct
(d) Both statements are incorrect

23. Find the correct match regarding forms of power-sharing. **1**

(a) Horizontal division – among different levels of government
(b) Vertical division – among legislature, executive and judiciary
(c) Federal government – Vertical division of power among different levels of government
(d) Community government in Belgium – Power shared among political parties only

24. Which of the following is INCORRECT about the Union List, State List and Concurrent List in India? **1**

(a) Defence and foreign affairs are in the Union List.
(b) Police and trade are in the State List.
(c) Education and forests are in the Concurrent List.
(d) Residuary subjects are in the State List.

25. Which of the following statements about political parties is INCORRECT? **1**

(a) A political party is a group of people who come together to contest elections and hold power in the government.
(b) Political parties reflect fundamental political divisions in society.
(c) In a democracy, only one dominant party is necessary for effective functioning.
(d) Political parties perform functions of contesting elections, shaping public opinion and forming governments.

26. A woman is paid less than a man for the same work in a factory. Which type of discrimination does this illustrate? **1**

(a) Religious discrimination

(b) Gender division of labour and unequal wages

(c) Caste-based reservation

(d) Regional disparity

27. What is federalism? Mention any one major form of power-sharing commonly referred to as federalism. **2**

28. Explain why an intelligent sharing of power among legislature, executive and judiciary is very important to the design of a democracy. Give any two reasons. **3**

OR

Describe how the stories of Belgium and Sri Lanka help us understand the need for power-sharing.

29. Explain the theory and practice of federalism in India. How has the third tier of local government strengthened Indian federalism? **5**

OR

'Vertical division of power among different levels of government is one of the major forms of power-sharing in modern democracies.' Examine this statement with reference to Indian federalism.

30. Read the passage and answer the questions that follow.

The existence of social diversity does not threaten democracy. Political expression of social differences is possible and sometimes quite desirable in a democratic system. We look at three kinds of social differences that can take the form of social divisions and inequalities. These are social differences based on gender, religion and caste.

30.1 Does the existence of social diversity threaten democracy according to the source? 1

30.2 Name the three kinds of social differences discussed in the passage. 1

30.3 Explain why political expression of social differences is sometimes desirable in a democratic system. 2

SECTION D — ECONOMICS — 8 questions · 20 marks

20 marks

31. **Assertion (A):** Income is the most common indicator used to compare countries, but it alone is not a sufficient measure of development. **1**

Reason (R): Average income does not tell us how income is distributed among people and ignores non-material goods such as health and education.

(a) Both A and R are true, and R is the correct explanation of A.

(b) Both A and R are true, but R is not the correct explanation of A.

(c) A is true but R is false.

(d) A is false but R is true.

32. Read the statements and choose the correct option. **1**

Statement I: Sectors can be classified into organised and unorganised on the basis of the nature of employment.

Statement II: In the unorganised sector, jobs are not regular and employment is secure with fixed hours.

(a) Both statements are correct

(b) Statement I is correct, Statement II is incorrect

(c) Statement I is incorrect, Statement II is correct

(d) Both statements are incorrect

33. Fill in the blank with the help of the option given below. Primary sector is also known as ..... sector. **1**

(a) Tertiary
(b) Agriculture and related
(c) Manufacturing
(d) Service

34. What is the importance of studying sectors of the economy? Mention any two bases of sectoral classification. **2**

35. Why is income alone not a sufficient indicator of development? Give any three reasons. **3**

OR

Explain any three common indicators used to compare the development of countries or states.

36. Describe the changing roles of the primary, secondary and tertiary sectors in the Indian economy. Why has the service sector grown rapidly? **3**

37. 'Development has many aspects. People have different perspectives on development.' Discuss this statement and explain how common indicators of development can be arrived at. **5**

OR

Explain the three types of sectoral classification discussed in the chapter 'Sectors of the Indian Economy'.

38. Read the passage and answer the questions that follow.

The idea of development or progress has always been with us. We have aspirations or desires about what we would like to do and how we would like to live. Similarly, we have ideas about what a country should be like. Development involves thinking about these questions and about the ways in which we can work towards achieving these goals.

38.1 What does development involve according to the source? 1

38.2 Mention any one question that people ask while thinking about development. 1

38.3 Explain why the idea of development is described as a complex task. Give any two points. 2
