THE MASTERMIND COACHING CLASSES

CBSE / RBSE · Nursery – Class XII · Road No. 5, VKIA, Jaipur · 9887258679

CLASS X — SOCIAL SCIENCE · FULL SYLLABUS PRACTICE PAPER

Session 2026-27 | CBSE / Delhi DoE Mid-Term Pattern

Class: 10	Subject: Social Science	Set 02	Time: 3 Hours	Max. Marks: 80

General Instructions:

1. There are 38 questions in the question paper. All questions are compulsory.
2. The question paper has four sections: Section A – History, Section B – Geography, Section C – Political Science and Section D – Economics.
3. Each section is of 20 marks and has Multiple Choice Questions, Very Short Answer, Short Answer, Long Answer and Case Based questions.
4. Very Short Answer type questions carry two marks each (answer in not more than 40 words). Short Answer type questions carry three marks each (not more than 60 words). Long Answer type questions carry five marks each (not more than 120 words). Case Based questions have three sub-questions and carry 4 marks each (1+1+2; answer in not more than 100 words).
5. The Map based question carries five marks with two parts – Section A: History (2 marks) and Section B: Geography (3 marks).
6. There is no overall choice. However, an internal choice has been provided in a few questions. Only one of the choices in such questions must be attempted.
7. A separate question has been provided for Visually Impaired candidates in lieu of the map question.

SECTION A — HISTORY

9 questions · 20 marks

20 marks

1. **Assertion (A):** The Silk Routes linked Asia with Europe and North Africa. **1**
Reason (R): The name 'silk routes' points to the importance of West-bound Chinese silk cargoes along this route.

(a) Both A and R are true, and R is the correct explanation of A.
(b) Both A and R are true, but R is not the correct explanation of A.
(c) A is true but R is false.
(d) A is false but R is true.

2. Read the statements about the Corn Laws and choose the correct option. **1**
Statement I: The Corn Laws allowed the British government to restrict the import of corn.
Statement II: After the Corn Laws were abolished, food could be imported into Britain more cheaply than it could be produced within the country.

(a) Both statements are correct
(b) Statement I is correct, Statement II is incorrect
(c) Statement I is incorrect, Statement II is correct
(d) Both statements are incorrect

3. Match Column I with Column II and choose the correct option. **1**

Column I	Column II
1. James Watt	a. Improved the steam engine
2. Richard Arkwright	b. Created the cotton mill
3. James Hargreaves	c. Invented the spinning jenny

(a) 1-a, 2-b, 3-c (b) 1-b, 2-a, 3-c (c) 1-c, 2-b, 3-a (d) 1-a, 2-c, 3-b

4. Which of the following statements about the history of print is INCORRECT? **1**

(a) Gutenberg developed the first known printing press in Strasbourg in the 1430s.
(b) The first book Gutenberg printed was the Bible.
(c) Marco Polo brought woodblock printing technology from Italy to China in 1295.
(d) The oldest Japanese book, the Buddhist Diamond Sutra, was printed in AD 868.

5. State any two effects of the Great Depression on the Indian economy. **2**

6. Why did some industrialists in nineteenth-century Britain prefer hand labour over machines? Explain any three reasons. **3**

7. Explain the role of print in creating the conditions for the French Revolution. **5**

OR

Describe how print culture promoted religious debates and new ideas in Europe during the sixteenth century.

8. Read the source given below and answer the questions.

The Bretton Woods conference of July 1944 established the International Monetary Fund (IMF) to deal with external surpluses and deficits of its member nations. The International Bank for Reconstruction and Development (World Bank) was set up to finance post-war reconstruction. The IMF and the World Bank are referred to as the Bretton Woods institutions or sometimes the Bretton Woods twins.

8.1 Where was the conference held that established the IMF and the World Bank? 1

8.2 Name the two institutions referred to as the 'Bretton Woods twins'. 1

8.3 Explain any two objectives of the IMF. 2

9. On the political outline map of India, two places are marked as A and B. Identify these places and write their names. **2**

i. The place (in Gujarat) where Gandhiji organised a Satyagraha in 1917 to support peasants in their struggle against the revenue collection. **(1)**

ii. The place where Gandhiji organised a Satyagraha movement among cotton mill workers in 1918. **(1)**

Note: A separate question is provided for visually impaired candidates: write the name of the State/UT in which each of the above places is located.

Outline map of India (not to scale)

SECTION B — GEOGRAPHY — 11 questions · 20 marks

20 marks

10. **Assertion (A):** Jute is called the 'golden fibre'. **1**
Reason (R): Jute grows well on well-drained fertile soils of flood plains where soils are renewed every year.

(a) Both A and R are true, and R is the correct explanation of A.
(b) Both A and R are true, but R is not the correct explanation of A.
(c) A is true but R is false.
(d) A is false but R is true.

11. Read the statements and choose the correct option. **1**
Statement I: Rabi crops are sown in winter from October to December and harvested in summer from April to June.
Statement II: Wheat, barley, peas, gram and mustard are important rabi crops.

(a) Both statements are correct
(b) Statement I is correct, Statement II is incorrect
(c) Statement I is incorrect, Statement II is correct
(d) Both statements are incorrect

12. Match Column I with Column II and choose the correct option. **1**

Column I	Column II
1. Bhilai	a. Iron and steel plant
2. Sindri	b. Fertiliser plant
3. Bengaluru	c. Electronics / IT industry

(a) 1-a, 2-b, 3-c (b) 1-b, 2-a, 3-c (c) 1-a, 2-c, 3-b (d) 1-c, 2-b, 3-a

13. Which of the following statements about minerals is INCORRECT? **1**

(a) Mica is widely used in electric and electronic industries because of its insulating properties.
(b) Limestone is found in rocks composed of calcium carbonates.
(c) Manganese is used in the manufacture of steel and ferro-manganese alloys.
(d) Bauxite is the ore from which copper is extracted.

14. The Nagercoil to Madurai belt, where wind farm clusters have been established, is located in which state? **1**

(a) Gujarat (b) Rajasthan (c) Tamil Nadu (d) Maharashtra

15. Which of the following is NOT a reason for the concentration of cotton textile mills in Maharashtra and Gujarat? **1**

(a) Black cotton soil and raw cotton availability
(b) Humid climate
(c) Mumbai port nearby
(d) Abundant iron-ore reserves

16. The Golden Quadrilateral Super Highways connect which of the following four metropolitan cities? **1**

(a) Delhi–Kolkata–Chennai–Mumbai (b) Delhi–Lucknow–Patna–Kolkata
(c) Mumbai–Pune–Bengaluru–Chennai (d) Delhi–Jaipur–Ahmedabad–Mumbai

17. Differentiate between kharif and rabi crops on the basis of sowing and harvesting seasons. **2**

OR

Mention any two features of plantation farming in India.

18. Explain any three problems faced by the iron and steel industry in India. **3**

19. Explain the importance of manufacturing industries to the national economy. **5**

O R

How do industries pollute the environment? Suggest any two measures to control industrial pollution of water.

20. On the same outline map of India provided for Question No. 9, locate and label any **three** of the following with appropriate symbols: **3**

i. A tidal port on the Gulf of Kutch developed to ease the volume of trade at Mumbai after Partition.
ii. The premier port of Goa and the leading iron-ore exporting port of India.
iii. The port in Tamil Nadu with a natural harbour and a hinterland of great economic importance.
iv. The deep-sea port in Odisha that specialises in the export of iron ore.

For visually impaired candidates (in lieu of this question; any three): name the State/UT in which each of the above is located.

SECTION C — POLITICAL SCIENCE — 10 questions · 20 marks

20 marks

21. **Assertion (A):** Political parties are necessary for a democracy. **1**
Reason (R): Parties reflect fundamental political divisions in society and fill political offices and exercise political power.

(a) Both A and R are true, and R is the correct explanation of A.
(b) Both A and R are true, but R is not the correct explanation of A.
(c) A is true but R is false.
(d) A is false but R is true.

22. Read the statements and choose the correct option. **1**
Statement I: A party that secures at least six per cent of the total votes in Lok Sabha or Assembly elections in four states and wins at least four seats in the Lok Sabha is recognised as a national party.
Statement II: A party that secures at least six per cent of the votes in an election to a state Legislative Assembly and wins at least two seats is recognised as a state party.

(a) Both statements are correct
(b) Statement I is correct, Statement II is incorrect
(c) Statement I is incorrect, Statement II is correct
(d) Both statements are incorrect

OR

What is communalism? Why is a secular state necessary to deal with it? Explain.

30. Read the passage and answer the questions that follow.

In a democracy, people have the right to choose their rulers and people have control over the rulers. Whenever possible and necessary, citizens should be able to participate in decision making that affects them all. Therefore, the most basic outcome of democracy should be that it produces a government that is accountable to the citizens and responsive to the needs and expectations of the citizens.

30.1 What should be the most basic outcome of democracy according to the passage? 1

30.2 Name the Act under which citizens in India can seek information from government offices. 1

30.3 Explain how transparency in government functioning helps make the government accountable. 2

SECTION D — ECONOMICS — 8 questions · 20 marks

20 marks

31. **Assertion (A):** Money acts as a medium of exchange. **1**
Reason (R): It removes the need for a double coincidence of wants that exists in a barter system.

(a) Both A and R are true, and R is the correct explanation of A.
(b) Both A and R are true, but R is not the correct explanation of A.
(c) A is true but R is false.
(d) A is false but R is true.

32. Read the statements and choose the correct option. **1**
Statement I: Banks and cooperative societies are formal sources of credit.
Statement II: The Reserve Bank of India supervises the functioning of formal sources of loans.

(a) Both statements are correct
(b) Statement I is correct, Statement II is incorrect
(c) Statement I is incorrect, Statement II is correct
(d) Both statements are incorrect

33. Fill in the blank. ..... is an agreement in which the lender supplies the borrower with money, goods or services in return for the promise of future payment. **1**

(a) Credit (b) Collateral (c) Deposit (d) Barter

34. What is collateral? Give one example. **2**

35. Explain any three reasons why formal sources of credit are preferred to informal sources. **3**

OR

Describe any three factors that have enabled globalisation.

36. Explain any three rights of consumers under the Consumer Protection Act. **3**

37. Explain the impact of globalisation on the Indian economy. Describe any five points. **5**

OR

What is the World Trade Organisation (WTO)? Explain how liberalisation of trade and investment policy has affected the Indian economy.

38. Read the passage and answer the questions that follow.

In India, the consumer movement as a 'social force' originated with the necessity of protecting and promoting the interests of consumers against unethical and unfair trade practices. Shortages, hoarding, black marketing and adulteration of food gave birth to the consumer movement in an organised form in the 1960s. Consumer groups looked into the malpractices in ration shops and overcrowded road transport. In 1986 the Indian Parliament enacted the Consumer Protection Act, popularly known as COPRA.

38.1 In which decade did the consumer movement take an organised form in India? 1

38.2 Name the Act enacted in 1986 for the protection of consumers. 1

38.3 Explain any two ways in which consumer groups have helped consumers. 2
